PREAMBLE

This Agreement entered into by the Executive Branch of the State of New York hereinafter referred to as the "Employer" and New York State Correctional Officers and Police Benevolent Association, Inc. (NYSCOPBA), hereinafter referred to as the "Union", on behalf of all employees in the bargaining unit in every agency where they may be employed, has as its purpose the promotion of harmonious employee relations between the Employer and the Union, the establishment of an equitable and peaceful procedure for the resolution of differences and the establishment of salaries, wages, hours of work and other terms and conditions of employment.
BILL OF RIGHTS

To insure that individual rights of employees in the Security Services Unit are not violated, the following shall represent the Employees' Bill of Rights:

(A) An employee shall be entitled to Union representation at each and every step of the grievance procedure set forth in this Agreement.

(B) An employee shall be entitled to Union representation at each stage of a disciplinary proceeding instituted pursuant to Article 8 of this Agreement.

(C) No employee shall be requested to sign a statement of an admission of guilt to be used in a disciplinary proceeding under Article 8 without having Union representation.

(D) No recording devices of any kind shall be used during any disciplinary proceedings except as provided for in Article 8, unless agreed to by all parties and each party receives a copy of the tape.

(E) In all disciplinary hearing proceedings under Article 8, the burden of proof shall rest with the Employer.

(F) An employee shall not be coerced or intimidated or suffer any reprisal either directly or indirectly that may adversely affect his hours, wages or working conditions as the result of the exercise of his rights under this Agreement.

(G) An employee shall be entitled to Union representation at an interrogation if it is contemplated that such employee will be served a notice of discipline pursuant to Article 8 of this Agreement. Such employee shall not be required to sign any statement arising out of such interrogation.

(H) Except as provided below, any statements or admissions made by an employee during such an interrogation without the opportunity to have
Union representation may not be subsequently used in a disciplinary proceeding against that employee.

(I) If representation is requested by the employee and if such representation is not provided by the Union within a reasonable period of time, the Employer may proceed with the interrogation.

(J) The Employer shall not infringe upon the right of an employee to be accompanied by counsel as provided by Section 73 of the Civil Rights Law, when said employee is summoned to appear before any "hearing" or before any "agency", as such terms are defined in Section 73 of the Civil Rights Law.

(K) Any employee who is subject to questioning by his/her Department's Inspector General's Office shall, whenever the nature of the investigation permits, be notified at least 24 hours prior to the interview. Such notification shall include facts sufficient to reasonably inform the employee of the particular nature of the investigation.

(L) Any employee who was notified that there was an investigation pending against him or her by their Department's Inspector General's Office shall be notified by the Employer of the closure of the investigation within two weeks of the closure of such investigation related to such employee.

(M) The Employer shall keep confidential all employee medical records.
ARTICLE 1

Term of Agreement

This Agreement shall be effective as of April 1, 2009, except as otherwise specified, and shall continue in full force and effect to and including March 31, 2016.
ARTICLE 2
Recognition

The Employer, pursuant to the certification of the Public Employment Relations Board, recognizes the Union as the sole and exclusive representative of those employees in the Security Services Unit for the purpose of collective negotiations concerning salaries, wages, hours of work and other terms and conditions of employment of employees serving in positions in the Security Services Unit. The term employee or employees shall include seasonal employees as contained in Appendix D of this Agreement.
ARTICLE 3

Nondiscrimination

3.1 The Employer and the Union agree that the provisions of this Agreement shall be applied equally to all employees in compliance with applicable law against discrimination as to age, race, creed, color, national origin, sex, disability, marital status and political affiliation. The parties further agree that the provisions of this Agreement shall be applied equally to all employees in compliance with Executive Order 33\(^1\) as to sexual orientation. The parties reaffirm their commitment to all applicable military laws and the rights of former and present members of the Armed Forces of the United States.

3.2 All references in this Agreement to employees of the male gender are used for convenience only and shall be construed to include both male and female employees.

3.3 The Employer agrees not to interfere with the rights of employees to become members of the Union. There shall be no discrimination, interference, restraint or coercion by the Employer or any Employer representative against any employee because of Union membership or because of any employee activity permissible under the Taylor Law and this Agreement in an official capacity on behalf of the Union, or for any other cause.

3.4 The Union recognizes its responsibility as bargaining agent and agrees to represent all employees in the bargaining unit without discrimination, interference, restraint or coercion.

---

\(^1\) The relevant provision of Executive Order 33 states "...[I]t has been, and it remains, the policy of this State not to discriminate on the basis of sexual orientation in the provision of benefits or services and in the State's capacity as an employer..."
ARTICLE 4
Check-Off

4.1 The Employer agrees to grant exclusive rights of dues deduction to the Union and will deduct Union membership dues from the pay of those employees who individually request in writing that such deductions be made. The amount to be deducted shall be certified to the Employer by the Union and the aggregate deductions together with a list of employees for whom deductions were made shall be remitted forthwith to the Union.

4.2 The Employer further agrees to grant to the Union exclusive payroll deduction of payments for employee benefit programs sponsored by the Union.

4.3 Employees may, at their individual option, participate by voluntary payroll deductions in the Individual Retirement Account (IRA) plan, provided through the Union, by a "financial organization" (as defined in State Finance Law §201.6) pursuant to the Economic Recovery Tax Act of 1981 (P.L. 97-34).

4.4 Employees may, at their individual option, participate in the New York State Deferred Compensation Plan subject to the law and rules governing the Plan.
ARTICLE 5
Union Rights

5.1 Bulletin Boards

(a) The Employer agrees to furnish and maintain suitable locking glass enclosed bulletin boards in convenient places in each working area to be used exclusively by the Union.

(b) The Union agrees to limit its postings of notices and bulletins to such bulletin boards.

(c) The Union agrees that it will not post material which may be profane, derogatory to any individual, or constitute election campaign material for or against any person, organization or faction thereof except that election material relating to internal Union elections may be posted on such bulletin boards. During the period in which the Union has the exclusive right to bulletin boards, no other employee organization, or affiliate thereof, except employee organizations which have been certified or recognized as the representative for collective negotiations of other State employees employed at such locations shall have the right to post material on State bulletin boards or distribute literature at work locations of Security Services Unit employees. All bulletins or notices shall be signed by the NYSCOPBA President, Chief Sector Steward or their designee.

(d) Any material which the Employer alleges to be in violation of this Agreement shall be promptly removed by the Union. The matter will then immediately be referred to Step 3 of the grievance procedure for resolution.
(e) In institutions or facilities which have repeated violations, the Director of the Governor's Office of Employee Relations may require advance approval of all future material which is to be posted.

5.2 Access to Employees and Meeting Space

(a) Department or agency heads may reach understandings with the Union for reasonable and appropriate arrangements whereby the Union may advise employees of the availability of the Union representatives for consultations during non-working hours concerning Union membership, services and programs.

(b) The Union representatives shall, on an exclusive basis for employees covered by this Agreement, have access to employees during working hours to explain the Union membership, services and programs under mutually developed arrangements with department heads wherein such access shall not interfere with work duties or work performance. Such consultations shall be no more than 15 minutes per employee per month, not to exceed an average of fifteen percent per month of the employees in the agency or institution.

(c) The departments or agencies shall provide meeting space to the Union upon written notice from the chief sector steward in buildings owned or leased by the State. Meeting space shall be provided under the following circumstances:

   (1) suitable space is not reasonably available elsewhere in the area;

   (2) the Union agrees to reimburse the Employer for any additional expenses incurred by the Employer including furnishing janitorial services, and any other expense which would not have been incurred had the space not been available;
(3) a request for the use of such space is made in advance pursuant to the rules of the department or agency concerned;

(4) the purpose of the meeting is made known to and is approved by the Employer.

5.3 Employee Organization Leave

(a) The Union shall be provided collectively with a total of not more than 712 days of non-cumulative employee organization leave during each year of this Agreement to attend meetings for internal administrative functions and policy committees.

(b) The allocation of employee organization leave provided in paragraph 5.3(a) to individual employees shall be the sole prerogative of the Union and shall be allocated in units of not less than one day per instance per employee. Request for use of this leave shall solely be made by NYSCOPBA. As used in this Article, the phrase "one day" shall be defined as "one duty tour."

(c) There will be no change in the present method of approving applications for attendance at meetings of the Executive Assembly.

(d) Under special circumstances and upon advance request, additional employee organization leave for additional meetings may be granted by the Director of the Governor's Office of Employee Relations.

(e) For the purpose of entering into collective negotiations for a successor agreement to this Agreement, the Employer agrees to grant employee organization leave to a reasonable number of employees for the Union Negotiating Committee with the understanding that there shall be no more than one Union committee member from
any one facility or region eligible to receive such leave for this purpose, except that this restriction shall not apply to Chairs of Standing Committees. The Union shall provide the State with a list of names and work locations of all such committee members prior to the commencement of any such negotiations.

(f) Employee organization leave shall be release time without charge to leave credits accrued by individual employees. Such release time shall be granted subject to the provision that the resulting absence from work will not interfere with the proper conduct of governmental functions. Employee organization leave provided pursuant to paragraph 5.3(a) of this Article is not required to be granted unless the Union provides the Director of the Governor’s Office of Employee Relations or his designee with 14 days advance notice of the purpose and date for which such leave is requested and the names and work stations of the employees for whom such leave is requested.

(g) The Director of the Governor’s Office of Employee Relations or his designee shall send the Union a statement at the end of each quarter showing the total employee organization leave used to date in each Agreement year pursuant to paragraph 5.3(a) above. This statement shall be presumed correct unless the Union within 30 days of receipt of the statement advises the Director of the Governor’s Office of Employee Relations or his designee of any claimed errors.

(h) Employee organization leave provided pursuant to this Article shall be in addition to that provided elsewhere in this Agreement for Union representation in processing of grievances and labor/management meetings.

(i) The Union shall supply (and keep current) to the Director of the Governor’s Office of Employee Relations 30 days after the execution of this Agreement and
quarterly thereafter a list of Union officers, executive board members, grievance representatives, members of policy committees and other employees eligible for leave under this Agreement together with the official work stations, departments and agencies of such employees. All such leave shall be used only for appropriate purposes, consistent with past practice, and only as specifically requested by the Union and granted by the State.

(j) Travel time as used in this Article shall mean actual and necessary travel time not to exceed eight (8) hours each way.

5.4 Unchallenged Representation

The Employer and the Union agree pursuant to Section 208 of the Civil Service Law that the Union shall have unchallenged representation status for the maximum period permitted by law on the date of execution of this Agreement.

5.5 Agency Shop

Mandatory agency shop fee deductions shall be continued for the period required by law.

5.6 Membership Packets

The Employer agrees to provide each new employee in the Security Services Unit with a membership packet furnished by the Union within one workweek following his first day of work and to the extent possible on the first day of work. The materials which may be included in such packet shall be subject to the restrictions set forth in paragraphs 5.1(c) and 5.1(d) of this Article.
5.7 Union Leave

A permanent employee or employees nominated by the Union may be granted by the Employer a leave or leaves of absence with full salary from their regular position for the purpose of serving with the employee organization subject to the conditions of this paragraph. Each such leave, its term and renewal, shall be subject to the discretionary approval of the Director of the Governor’s Office of Employee Relations. The Union shall periodically, as specified by the Director of the Governor's Office of Employee Relations, reimburse the State for the salary, wages and any other payments paid to each employee by the Employer during such leave of absence together with the cost of fringe benefits at the percentage of salary, wages as determined by the Comptroller. The Union shall purchase an insurance policy in the form and amount satisfactory to the Director of the Governor's Office of Employee Relations to protect the State in the event the State is held liable for any damages or suffers any loss by reason of any act or omission by such employee during the period of such leave of absence with full salary.

5.8 Exclusivity

The Employer will not meet or confer with any other employee organization or affiliate thereof with reference to terms and conditions of employment of employees. If such organizations request meetings, they will be advised by the Employer to transmit their requests concerning terms and conditions of employment to the Union and arrangements will be made by the Union to fulfill its obligation as a collective negotiating agent to represent these employees and groups of employees.
ARTICLE 6
Management Rights

Except as expressly limited by other provisions of this Agreement, all of the authority, rights and responsibilities possessed by the Employer are retained by it.
**ARTICLE 7**

**Grievance and Arbitration**

7.1 **Definitions**

For the purposes of this Agreement, all disputes shall be subject to the grievance procedure as outlined below:

(a) A dispute concerning the application and/or interpretation of this Agreement is subject to all steps of the grievance procedure including arbitration, except those provisions which are specifically excluded.

(b) Any other dispute or grievance concerning a term or condition of employment which may arise between the parties or which may arise out of an action within the scope of authority of a department or agency head and which is not covered by this Agreement shall be processed up to and including the conference phase of the Alternate Dispute Resolution Process, and not beyond, except those issues for which there is a review procedure established by law or by or pursuant to rules or regulations filed with the Secretary of State.

(c) A claim of improper or unjust discipline against an employee shall be processed in accordance with Article 8 of this Agreement.

7.2 **Procedure**

The purpose of this Article is to provide a prompt, equitable, peaceful and efficient procedure to review and resolve grievances, and to further the purpose of this Agreement to promote harmonious employee relations. Both the Employer and the Union recognize the importance of, among other aspects of the procedure, the timely issuance of decisions to filed grievances and the responsible use of this procedure. Upon failure of the Employer to provide a decision within the time limits provided in this Article, the Union may appeal to the next step of the grievance procedure. The
grievance will not revert back to the previous step where it was originally untimely unless mutually agreed to by both parties.

Prior to initiating a formal written grievance pursuant to this Article, the employee or the Union is encouraged to resolve disputes subject to this Article informally by reviewing them with the appropriate immediate supervisor, local administration or agency or department.

(a) Grievances

Step 1. The employee and/or the Union shall present the grievance in writing to the facility head, institution head, divisional head or regional head within 20 days of the act or omission giving rise to the grievance or within 20 days of the date on which the employee first knew of such act or omission. The facility head, institution head, divisional head or regional head, shall each designate a regular representative, who shall meet with the Union and the grievant during the employee’s regular work shift within ten days of receipt of the grievance and shall render a decision in writing within ten days from the day of such meeting.

Step 2. In the event that the grievance has not been satisfactorily resolved at Step 1, an appeal may be taken by the Union in writing to the department or agency head, as appropriate, within 15 days from receipt of the Step 1 decision. The written appeal shall contain a description of the relevant facts from which the grievance derives and specific references to all sections of the Agreement, if any, which the Union claims have been violated. In cases in which both parties agree that a meeting is necessary, the department or agency head, or designee, shall meet with the Union to review the grievance within ten days from receipt of the Step 2 written appeal and shall render a written decision which shall include a brief statement of the relevant facts on which the decision is based to the Union within ten days from the day of the Step 2 meeting. Upon receipt by the Employer of notice that no meeting will be held, a written decision will be issued within ten days of receipt of said notice. Communications concerning
appeals and decisions at this Step shall be made by personal service or by registered or certified mail.

Step 3. In the event that the grievance has not been satisfactorily resolved at Step 2, an appeal to the Director of the Governor’s Office of Employee Relations may be taken by the Union in writing within 60 days from the day on which the Union received the Step 2 decision. Such appeal shall contain a copy of the Step 2 decision. All communications concerning appeals and decisions at this Step shall be made by personal service, registered or certified mail.

Every other week (on a designated day), representatives from the Union and the Governor’s Office of Employee Relations will meet and review all grievances that have been appealed to the Step 3 level during the previous two week period. If warranted, an agency representative may be in attendance at these meetings. At these meetings, the grievance will be read, reviewed and tactically distributed for processing in one of the following ways:

1. Expedited Decision. For grievances with respect to which either side believes that the decision is going to be traditional, and involves issues which cannot be resolved by the grievance process, the Governor’s Office of Employee Relations shall provide, within ten days, a written Step 3 response in the form of a brief answer.

2. On-site Review. If both representatives believe that a Step 3 hearing review is necessary, the parties will agree to schedule such a review on the next trip to the work location in question. Trips to regions or work locations will be scheduled in advance on a "circuit" basis to ensure that each work location can be visited at least once every four months, if necessary.

3. Safety Issues. Issues which are, in fact, safety and health concerns (not to include staffing issues) may be referred to an Agency Level Statewide Safety and Health Committee. A safety specialist from the employing agency and the Union can review the issues and determine if there may be methodologies available for resolution
of the issues. Resolutions will be reduced to writing. In the event the issues cannot be resolved, either party may refer them to the conference phase of the Alternate Dispute Resolution Process where applicable.

4. Hold Status. The grievance may be put on hold for two weeks so that either or both sides can gather more information or make local contacts. Those grievances placed in hold status will become the first to be discussed at the next meeting between representatives from the Union and the Governor's Office of Employee Relations.

Automatic Progression. If the Employer fails to meet with the Union on a timely basis or render a timely decision, the Union may treat the grievances as having been denied at the level at which the delay occurred and may then appeal the grievance to the next level.

(b) Alternate Dispute Resolution Process (ADR)

(1) In the event that the grievance has not been resolved satisfactorily at Step 3, a demand for arbitration may be brought only by the Union, through the President or his designee within 15 days from the day the Union receives the Step 3 decision by mailing or personally serving the demand to the Director of the Governor's Office of Employee Relations and simultaneously filing the demand with the master arbitrator. The demand will identify the Article(s) and subsections sought to be arbitrated, the names of the department or agency, and employee(s) involved, copies of the original grievance, appeals documents and the written decisions rendered at the lower steps.

(2) Resolution conferences and arbitrations under the ADR process shall be held before the master arbitrator appointed by agreement of the parties. The parties may review the appointment at any time, by mutual agreement.
(3) Resolution Conference

Within 30 days after the demand for arbitration, the parties shall meet with the master arbitrator who shall attempt to have the parties reach a settlement and narrow the issue(s) for hearing, including stipulating to facts, relevant documents and exhibits. The grievant may be permitted to participate in the conference by telephone.

(4) Expedited Arbitration

After the resolution conference, either party may require a hearing before the master arbitrator on an expedited basis. Grievance hearings shall, absent extraordinary circumstances, be limited to one day.¹ Both parties should be prepared to fully present their positions and any testimony on the day of the hearing. No briefs shall be submitted by either party.

(5) The parties agree to meet for a total of four days per month at a mutually agreed upon site in Albany to conduct the resolution conferences and/or expedited arbitrations.

(6) Where no hearing is held and the case is submitted on papers the parties may submit their positions in writing to the arbitrator on a mutually agreed upon date no later than thirty (30) days after the mailing of the papers to the arbitrator. Such written position papers may not exceed five double-spaced pages.

(7) The master arbitrator's decision and award is to be rendered within seven (7) days of the completion of the hearing and shall include only a finding or findings and remedy, as appropriate, on a form provided by the parties. The master arbitrator shall have the authority to issue bench decisions when appropriate.

(8) The decision or award of the master arbitrator shall be consistent with applicable law and the Agreement and final and binding upon the parties (NYSCOPBA and the State) with respect to the determination of the grievant's claims. Such decisions

¹ The parties shall prepare a recommended schedule for the conduct of a one-day hearing to be presented to the master arbitrator. Such schedule is to serve merely as a guide to assist in insuring that cases are ordinarily presented and concluded in one day.
are non-precedential and shall not be submitted in any other case unless the parties mutually agree otherwise.

(9) The parties may meet periodically to insure that in practice the ADR process is in keeping with their intent and to take what steps are necessary to conform such practice with their intent.

(c) Full Arbitration

(1) After the resolution conference, if the Employer and the Union mutually determine that an individual grievance warrants a decision that will be precedential for future matters, the parties may refer the matter to traditional arbitration. If the parties cannot agree as to whether the matter should be referred to full arbitration, the master arbitrator shall have the authority to make such determination as to whether full arbitration is warranted.

(2) The parties shall mutually select an arbitrator. If the parties are unable to agree, the matter will be referred to the Public Employment Relations Board for selection.

The arbitrator shall hold a hearing at a time and place convenient to the parties within 20 days of the acceptance to act as arbitrator. The arbitrator shall issue a written decision within 30 days after completion of the hearing. The arbitrator shall be bound by the rules of the American Arbitration Association which are applicable to labor relations arbitrations which are in effect at the time of arbitration. In the event a disagreement exists regarding arbitrability of an issue, the arbitrator shall make a preliminary determination whether the issue is arbitrable under the express terms of this Agreement. Once a determination is made that such a dispute is arbitrable, the arbitrator shall then proceed to determine the merits of the dispute.

(3) Miscellaneous Provisions

Neither the master arbitrator nor arbitrator shall have any power to add to, subtract from, or modify the provisions of this Agreement in arriving at a decision of the
issue presented and shall confine the decision solely to the application and interpretation of the Agreement.

   All fees and expenses of the arbitration shall be divided equally between the parties except that each party shall bear the cost of preparing and presenting its own case. Cost for the cancellation of a hearing date shall be borne by the party seeking cancellation.

7.3 Representation

(a) The Employer shall recognize the following grievance representatives at each step of the grievance procedure and shall release such representatives from normal duties to process grievances and conduct necessary relevant investigations providing that such absence from work will not interfere with proper conduct of governmental functions: steward and chief sector steward.

   On the Union's prior written request at least 48 hours in advance, the Employer will make every effort to reschedule shift assignments so that meetings fall during working hours of Union representatives.

   The Union shall furnish the Employer with a list of all employee representatives, Union Vice Presidents and Union staff authorized to represent the Union in the grievance process pursuant to this Article 60 days from the date of execution of the Agreement.

(b) Statewide elected union officers and Union staff may be present at each step of the grievance procedure.

7.4 General Provisions

(a) As used in this Article, all references to days shall mean calendar days. All of the time limits contained in this Article may be extended by mutual agreement of the parties and shall be confirmed in writing.

(b) Grievances resolved at Step 1 shall not constitute a precedent for any other facility, institution, division, or region, or at Step 2 for any other agency unless a specific
agreement to that effect is made by the Director of the Governor’s Office of Employee Relations and the President of the Union.

(c) The parties, GOER and NYSCOPBA, may mutually agree to waive Steps 1 and 2 of the grievance procedure. In order to better review grievances at the second step, the Employer will conduct review meetings. However, a meeting will not be held if there is mutual agreement that the file sufficiently clarifies the issue, that there is no new evidence to consider or the matter has been previously reviewed and/or resolved.

(d) Aggrieved employees, their Union representatives and necessary witnesses shall not suffer any loss of earnings, or be required to charge leave credits as a result of processing or investigating grievances during such employees' scheduled working hours. Reasonable and necessary time spent in processing and investigating grievances, including travel time, during such employees' scheduled working hours shall be considered as time worked provided, however, that when such activities extend beyond such employees' scheduled working hours, such time shall not be considered as time worked.

(e) Travel time, as used in paragraph 7.4(d) above, shall mean actual and necessary travel time, not to exceed eight hours each way.

(f) Grievances involving employees in more than one agency, upon agreement of the Director of the Governor's Office of Employee Relations and the President of the Union may be initiated at Step 3.
ARTICLE 8

Discipline

8.1 Exclusive Procedure

Discipline shall be imposed upon employees otherwise subject to the provisions of Sections 75 and 76 of the Civil Service Law only pursuant to this Article, and the procedure and remedies herein provided shall apply in lieu of the procedure and remedies prescribed by such sections of the Civil Service Law which shall not apply to employees.

8.2 Disciplinary Procedure

(a) Discipline shall be imposed only for just cause. Where the appointing authority or his designee seeks the imposition of a loss of leave credits or other privilege, written reprimand, fine, suspension without pay, reduction in grade, or dismissal from service, notice of such discipline shall be made in writing and served, in person, by courier, or by registered or certified mail upon the employee. The conduct for which discipline is being imposed and the penalty proposed shall be specified in the notice. The notice served on the employee shall contain a detailed description of the alleged acts and conduct including reference to dates, times and places, and if the Employer claims that the employee has been charged with a crime for the alleged acts, the notice of discipline must identify the specific section of the Penal Law or other statute which the Employer claims the employee has been charged with violating, if known by the Employer. The employee shall be provided with two copies of the notice which shall include the statement, "You are provided two copies in order that one may be given to your representative. Your Union representative is NYSCOPBA."

(b) The Union grievance representative at the appropriate level shall be sent a copy of the notice of discipline within 24 hours of the service of a notice of discipline
upon the employee. A copy of the notice of discipline will also be sent to the President of the Union.

(c) The penalty proposed may not be implemented until the employee (1) fails to file a disciplinary grievance within 14 days* of service of the notice of discipline, or (2) having filed a grievance, fails to file a timely appeal to disciplinary arbitration, or (3) having appealed to disciplinary arbitration, until and to the extent that it is upheld by the disciplinary arbitrator, or (4) until the matter is settled.

(d) The notice of discipline may be the subject of a disciplinary grievance which shall be served upon the department or agency head or his designee in person or by registered or certified mail within 14 days of the date of the notice of discipline by the employee or the Union. The employee or the Union shall be entitled to a meeting to present his position to the department or agency head or his designee within 14 days of the receipt of a disciplinary grievance, and upon consideration of such position, the department or agency head shall advise the Union of its response in writing by registered or certified mail within seven days of such meeting.

(e) If the disciplinary grievance is not settled or otherwise resolved, it may be appealed to disciplinary arbitration by the employee or the President of the Union (or his designee) within 14 days of the service of the department or agency head response. Notice of appeal to disciplinary arbitration shall be served, by personal service, registered or certified mail, with the Public Employment Relations Board, with a copy to the department or agency head, or his designee.

*Unless otherwise specified days as used in this Article shall mean calendar days.
(f) The Employer and the Union shall continue the procedure for the arbitration process which is now in existence as contained in the agreement with the Public Employment Relations Board dated December 28, 1979, and as amended hereinafter. Arbitration hearings may not be rescheduled without mutual consent of the parties.

(g) Either party wishing a transcript at a disciplinary arbitration hearing may provide for one at its expense and shall provide a copy to the arbitrator and the other party. Unless mutually agreed otherwise, transcripts must be requested prior to the first day of a disciplinary arbitration.

(h) Disciplinary arbitrators shall confine themselves to determinations of guilt or innocence and the appropriateness of proposed penalties, taking into account mitigating and extenuating circumstances. Disciplinary arbitrators shall neither add to, subtract from nor modify the provisions of this Agreement. The disciplinary arbitrator’s decision with respect to guilt or innocence, penalty, or probable cause for suspension, pursuant to Section 8.4 of this Article, shall be final and binding upon the parties, and the disciplinary arbitrator may approve, disapprove or take any other appropriate action warranted under the circumstances, including, but not limited to, ordering reinstatement and back pay for all or part of the period of suspension. If the disciplinary arbitrator, upon review, finds probable cause for the suspension, he may consider such suspension in determining the penalty to be imposed.

(i) All fees and expenses of the arbitrator, if any, shall be divided equally between the Employer and the Union or between the Employer and the employee if such employee chooses not to be represented by the Union. Each party shall bear the costs of preparing and presenting its own case. The estimated arbitrator’s fee and expenses and estimated expenses of the arbitration may be collected in advance of the hearing.

(j) In the event that any employee against whom disciplinary charges are brought by the Employer elects to be represented by any party other than the Union,
such employee shall be individually responsible for all expenses which are incurred in connection with such disciplinary proceeding. No employee can be represented in such a disciplinary proceeding by any officer, executive board member, delegate, representative or employee of any actual or claimed employee organization or affiliate thereof other than NYSCOPBA.

8.3 Settlement

A disciplinary grievance may be settled at any time following the service of a notice of discipline. The terms of the settlement shall be reduced to writing. An employee offered such a settlement shall be offered a reasonable opportunity to have his attorney or a Union representative present before he is required to execute it. The Union grievance representative at the appropriate level shall be provided with a copy of any settlement within 24 hours of its execution.

8.4 Suspension Before Notice of Discipline

(a) Prior to issuing a notice of discipline or the exhaustion of the disciplinary grievance procedure provided for in this Article, an employee may be suspended without pay by his appointing authority only pursuant to paragraphs (1) or (2) below.

(1) The appointing authority or his designee may suspend without pay an employee when the appointing authority or his designee determines that there is probable cause that such employee's continued presence on the job represents a potential danger to persons or property or would severely interfere with its operations. Such determination shall be reviewable by a disciplinary arbitrator. A notice of discipline shall be served no later than seven days following any such suspension. At the time of suspension, the appointing authority or his designee shall set forth in writing to the employee the specific reasons for the suspension.

(2) The appointing authority or his designee may with agency approval suspend without pay an employee charged with the commission of a crime. Such employee shall notify his appointing authority in writing of the disposition of any criminal
charge including a certified copy of such disposition within seven days thereof. Within 30 days following such suspension under this provision, or within seven days from receipt by the appointing authority of notice of disposition of the charge from the employee, whichever occurs first, a notice of discipline shall be served on such employee or the employee shall be reinstated with back pay. Nothing in this paragraph shall limit the right of the appointing authority or his designee to take disciplinary action during the pendency of criminal proceedings.

(3) Upon the ratification of this Agreement, in the event that an employee is suspended without pay, the employee will have the option to draw from previously accrued annual leave, personal leave, holiday leave and/or compensatory leave upon written notification to his/her supervisor.

(4) When an employee has been suspended without pay, the agency or department meeting may be waived by the employee or by the Union with the consent of the employee at the time of filing the disciplinary grievance. In the event of such waiver, the employee or the Union shall file the grievance form within the prescribed time limits for filing an agency level grievance directly with PERB. The case shall be given priority in assignment.

(5) An employee who is charged with the commission of a crime, suspended without pay and subsequently not found guilty and against whom no disciplinary action is taken for the incident in question, shall be reinstated with full back pay.

(6) During a period of suspension without pay pursuant to this section, the State shall continue to pay its share of the cost of the employee’s health, dental and vision care coverage under Article 12 which was in effect on the day prior to the suspension provided that the suspended employee pay his or her share.
(b) A registered or certified letter notifying the President of the Union of any suspension under paragraph 8.4(a) above shall be sent within one day, excluding Saturdays, Sundays and holidays.

(c) Back Pay Award

Where an employee is awarded back pay, the amount to be reimbursed will be offset by unemployment insurance collected by the employee during the period that the back pay award covers. An award of back pay shall be deemed to include reimbursement of all other benefits including the accrual of leave credits and holiday leave.

8.5 Union Representation

An employee shall be entitled to be represented at a disciplinary grievance meeting or arbitration by a chief sector steward or designee. Such representatives shall not suffer any loss of earnings or be required to charge leave credits as a result of processing or investigating disciplinary grievances during such chief sector steward’s or designee’s scheduled working hours. Reasonable and necessary time spent in processing and investigating grievances, including travel time, during such chief sector steward’s or designee’s scheduled working hours shall be considered as time worked provided, however, that when such activities extend beyond such chief sector steward’s or designee’s scheduled working hours, such time shall not be considered as time worked. On the employee's prior written request at least 48 hours in advance, the Employer will make every effort to reschedule shift assignments so that meetings fall during working hours of Union representatives. Union staff may be present at disciplinary grievance meetings and arbitration proceedings.

8.6 Limitation

An employee shall not be disciplined for acts, except those which would constitute a crime, which occurred more than nine months prior to the service of the
notice of discipline. The employee's whole record of employment, however, may be considered with respect to the appropriateness of the penalty to be imposed, if any.

8.7 Other Actions

Shift, pass day, job transfer or other reassignment or assignments to another institution or work station shall not be made for the purpose of imposing discipline provided, however, that nothing in this section shall bar any action otherwise taken pursuant to this Article. A claimed violation of this section will be processed as an Article 7 grievance.

8.8 Expedited Discipline Procedure

(a) This is to confirm the agreement between the parties to establish an Expedited Disciplinary Arbitration Procedure (Procedure) for the members of the Security Services Unit for the term of the Agreement as outlined in Article 1. Any cases already in the program at that time will continue. The Procedure shall commence for interest arbitration eligible employees 90 days after the ratification of the Agreement. The Procedure will commence for the remaining unit employees on January 1, 2013.

(b) As soon as possible after the effective date of this agreement, the parties shall select arbitrators to serve on the expedited arbitration panel. This Panel will be administered by the New York State Public Employment Relations Board or other mutually agreed upon administrator. The Panel shall be administered pursuant to criteria to be developed by the parties which shall include specific guidelines to the arbitrators on the authority to grant or deny extensions of time frames over the objection of a party to the dispute. The initial arbitrator selection will occur by rotation. If an arbitrator on the panel does not have an available hearing date within the time frames specified by this procedure, the next arbitrator on the panel with an available date will be selected in accordance with the criteria developed by the parties.
(c) All disciplinary grievances involving the suspension without pay of an employee pursuant to Article 8.4 may be submitted by the employee or the Union to expedited arbitration. The Department will not regularly nor unreasonably deny the submission to expedited arbitration. Except as expressly altered by this side agreement, the substantive and procedural provisions of Article 8 remain in effect.

(d) The time limits in Article 8.2(d) for filing a disciplinary grievance remain applicable under this procedure. The employee or the Union still must file a disciplinary grievance within 14 calendar days of the date of the notice of discipline, either by personal service or by registered or certified mail.

(e) Within 14 calendar days of the date the disciplinary grievance is mailed, or if personally served, the date of service, the Union, or the employee if not represented by the Union, may provide written notice to the department or agency head or designee that the grievance is submitted to the expedited arbitration procedure. This notice must be provided by personal service or by registered or certified mail, and is effective when served or mailed. In addition, a copy of this written notice shall simultaneously be provided to the administrator of the expedited arbitration panel. If the department or agency cannot accept the submission for expedited arbitration, the department or agency head or designee has 7 calendar days of receipt of the notice to inform the union, or employee if the employee is not represented by the Union, of the reasons that the matter cannot be accepted for expedited arbitration or to agree to extended timeframes that are mutually acceptable to the parties if the department or agency can accommodate such request to extend such timeframes.

(f) The department or agency head or designee shall, within 15 business days of receipt of the notice of expedited arbitration, provide to the employee’s representative a list of witnesses the employer might call on its direct case at the hearing, copies of any written statements in the possession of the employer made by those witnesses, copies of any written statement in the employer’s possession made by the grievant, copies of
any other documents the employer intends to introduce at the hearing. If the employer might introduce such documents at the hearing, the employer shall also provide a copy of the grievant’s performance evaluations and copies of his or her prior disciplinary charges, awards or settlements. If the hearing is scheduled within 15 business days of the receipt of notice of expedited arbitration, the department or agency head or designees shall have one-half the number of days between the receipt of notice and the hearing date to provide the information. If this results in a number involving a part of a day the number shall be rounded up. After the information is provided, to the extent that the employer determines that additional witnesses will be called or that additional documents will be produced, the employer will provide this information to the employee’s representative at least two business days before the hearing unless such witnesses or documents are not known at the time.

(g) Within 15 business days after receipt of the above information from the employer, but in any event no fewer than five calendar days prior to the date of the hearing, the employee or employee’s representative will provide to the employer a list of potential witnesses the employee or employee’s representative might call at the hearing, as well as copies of any documents that the employee or employee’s representative intends to introduce at the hearing.

(h) The names of rebuttal witnesses shall be provided in advance of the hearing whenever possible. In the event that an additional hearing date is scheduled for the purpose of rebuttal, the names of rebuttal witness shall be exchanged at least 3 business days prior to the hearing.

(i) The arbitrator is expressly authorized to hear and determine any disputes arising out of the obligations of the parties to exchange the information and documents referenced in paragraphs 6, 7, and 8 above, and will be guided by the criteria provided by the parties in doing so. However, the arbitrator shall not have any authority to dismiss either party’s case nor bar use of such information and documents for a failure
to comply with the time frames in those paragraphs but will have the authority to take other appropriate remedial action.

(j) The hearing under this procedure must be completed within 90 calendar days of the filing of the notice of expedited arbitration. The parties are encouraged to stipulate to any facts not in dispute. Closing arguments may be oral or written, but if written, must be submitted within five business days of the close of the hearing. The arbitrator shall make an award within 10 business days of the close of the hearing or receipt of closing arguments, where applicable.

(k) The parties may mutually agree to extend any of the time limits in this procedure. In the event that an agreement on a time extension cannot be reached, the arbitrator is expressly authorized to determine, based on criteria provided by the parties, whether to grant or deny the extension, and under what conditions, including whether to grant or deny a request to return an employee to the payroll or toll backpay to an employee for any period of delay caused by the requested extension.

(l) Business days are defined as Monday through Friday excluding all holidays referenced in Article 16.5 except Election Day and Lincoln’s Birthday.
ARTICLE 9
Out-of-Title Work

9.1(a) No employee shall be employed under any title not appropriate to the duties to be performed and, except upon assignment by proper authority during the continuance of a temporary emergency situation, no person shall be assigned to perform the duties of any position unless he has been duly appointed, promoted, transferred or reinstated to such position in accordance with the provisions of the Civil Service Law, Rules and Regulations.

(b) The term "temporary emergency" as used in this Article shall mean an unscheduled or non-periodic situation or circumstance which is expected to be of limited duration and either (a) presents a clear and imminent danger to person or property, or (b) is likely to interfere with the conduct of the agency's or institution's statutory mandates or programs.

9.2(a) Grievances alleging violation of this Article shall be processed pursuant to Article 7, paragraph 7.1(b), and shall be filed utilizing an out-of-title grievance form.

(b) If appealed to Step 3, the Director of the Governor's Office of Employee Relations shall seek an opinion from the Director of Classification and Compensation concerning whether or not the assigned duties which are the subject of the grievance are substantially different from those appropriate to the title to which the employee is certified. The Union shall be given the opportunity to present to the Director of Classification and Compensation, a written brief of the facts surrounding the grievance. The Director of Classification and Compensation shall, within 60 calendar days of the
filing of the appeal, forward his opinion to the Director of the Governor's Office of Employee Relations, and the Union, for implementation.

(c) If it is the opinion of the Director of Classification and Compensation that the assigned duties which are the subject of the grievance are substantially different from those appropriate to the title to which the employee is certified, the Director of the Governor's Office of Employee Relations, or his designee, shall direct the appointing authority forthwith to discontinue such assigned duties.

(1) If such substantially different duties are found to be appropriate to a lower salary grade or to the same salary grade as that held by the affected employee, no monetary award may be issued.

(2) If, however, such substantially different duties are found to be appropriate to a higher salary grade than that held by the affected employee, the Director of the Governor's Office of Employee Relations shall issue an award of monetary relief. The amount of monetary relief shall be the difference between what the affected employee was earning at the time he performed such duties and what he would have earned at that time in the entry level of the higher salary grade title, but in no event shall such monetary award be retroactive to a date earlier than 15 calendar days prior to the date the grievance was filed in accordance with this Agreement.
ARTICLE 10

Review of Personal History Folder

10.1 For the purposes of this Article, there shall be one official personal history folder maintained for an employee. An employee shall, within five working days of a written request to his department, agency or institution, have an opportunity to review his official personal history folder in the presence of a local Union representative (if requested by the employee) and an appropriate official of the department, agency or institution. Such right shall not be abused. The employee shall be allowed to place in such file a response of reasonable length to anything contained therein which such employee deems to be adverse.

10.2 The official personal history folder shall contain all memoranda or documents relating to such employee which contain criticism, commendation, appraisal or rating of such employee's performance on his job. Copies of such memoranda or documents shall be sent to such employee simultaneously with their being placed in his official personal history folder.

10.3 An employee may, at any time, request and be provided copies of all documents and notations in his official personal history folder of which he has not previously been given copies. If such file is maintained at a location other than the region or facility in which the employee works, it shall be forwarded to the employee’s region or facility for requested review by the employee.

10.4 With the exception of disciplinary actions or annual work performance ratings, any material in the official personal history folder of an adverse nature, over one (1) year old may, upon the employee's written request, be removed from the official personal history folder by mutual agreement of the employee and the appropriate agency representative. This does not preclude the earlier removal of such material.
10.5 Upon an employee's written request, a counseling memorandum over three years old shall be removed from the official personal history folder, provided that the employee has received no additional counseling memoranda or notice of discipline during that period. Any reference to such counseling memorandum appropriately removed shall not be contained in the official personal history folder.

10.6 Counseling of employees shall be carried out pursuant to Appendix C and grievances regarding the application of said Appendix shall be processed pursuant to Article 7, paragraph 7.1(b).

10.7 Documents which have been removed from the official personal history folder pursuant to Section 10.4 or 10.5 shall not be admitted as evidence in a subsequent disciplinary arbitration for that employee.

10.8 Except as specifically prohibited by law and requests related to official State purposes or government investigations, an employee shall be notified of requests for access to the employee's personal history folder. For the purpose of this Article, a lawsuit against an employee or the State shall not be deemed an official State purpose. Said notification shall be at least 72 hours prior to the requested access provided, however, a validly issued subpoena may still be satisfied by the Employer. Notwithstanding anything to the contrary, the Employer may respond to a matter in pending litigation without giving an employee 72 hours notice where the matter necessitates an immediate response. Under those circumstances notice to the employee will be given as quickly as possible. Release of employment and income information in connection with employee credit applications need not be reported to the employee.

An employee may not exceed the job rate as a result of adding the performance advancement payment.

Such payment will be added to base pay effective on the payroll period which next begins following the actual completion of 10, 15, 20 and 25 years of continuous service.
(b) In no event may an employee’s basic annual salary exceed the longevity maximum of the salary grade as the result of the longevity payment or adjustment.

(d) Such longevity payments will be added to and considered part of base pay for all purposes except for determining an employee's change in salary upon movement to a different salary grade and his potential for movement to the job rate of the new grade, after which determination the appropriate longevity payments will be restored.

11.8 Pre-Shift Briefings

(a) For Interest Arbitration ineligible employees only, in recognition of the fact that employees, as is the present practice, are generally required to assemble for briefing for 15 minutes prior to the commencement of their tours of duty, each employee shall be paid at least $1,560 per year as overtime (prorated based on length of paid service in each fiscal year) or pursuant to the Budget Director’s Rules and Regulations for overtime compensation, whichever is greater. Such payment shall be in lieu of all other payments and compensation for that time worked. The Employer further agrees that when such an employee is required and authorized to assemble for briefing or lineup on a daily basis in excess of 15 minutes before the commencement of his tour of
duty, such time actually worked in excess of 15 minutes shall be considered to be time worked for the purpose of computing overtime.

(b) For Interest Arbitration eligible employees only, effective April 1, 2010, all members of this unit who are employed by the state department of corrections and community supervision and are designated as peace officers pursuant to subdivision twenty-five of section 2.10 of the criminal procedure law, are full time annual salaried employees, shall be paid at least $2,080 per year as overtime (prorated based on length of paid service in each fiscal year) or pursuant to the Budget Director's Rules and Regulations for overtime compensation, whichever is greater. Such payment shall be in lieu of all other payments and compensation for that time worked.

This amount shall be increased to $2600 effective March 31, 2011. These payments will be equally divided over the 26 payroll periods in that fiscal year and shall count as compensation for overtime and retirement purposes.

11.12 **Retroactive wage payments**

Wage payments shall be retroactive as indicated in this agreement. All retroactive wage payments shall be reduced by the amount of the adjustment of health insurance premium share retroactive to October 1, 2011 and the value of 9 days of deficit reduction leave, or the amount credited to an employee. The 9 days of deficit reduction leave shall reflect five days of deficit reduction leave for fiscal year 2011-2012 and four days of deficit reduction leave for fiscal year 2012-2013. Reductions in retroactive wages will be computed on an individual employee basis. If there are insufficient retroactive wages to pay for all Deficit Reduction Leave days, regular bi-weekly paychecks will be reduced by the value of the Deficit Reduction Leave days, in equivalent amounts, over the pay periods then remaining through March 31, 2013. - The current Prospective Procedure Review notification requirement for MRIs will expand to include CAT and PET scans, nuclear medicine and MRAs performed at the outpatient department of a hospital, a participating provider office or a free-standing facility.

  * Enrollees will be required to call the Benefits Management Program for Pre-certification when a listed procedure is recommended. Enrollees will be requested to call two weeks before the date of the procedure.

  * Current co-insurance levels will apply for failure to comply with the requirements of the Prospective Procedure Review Program.

Employees selecting the basic sick leave credit may elect to apply up to 100 percent of the calculated basic monthly value of the credit toward defraying the required contribution to the monthly premium during their own lifetime. If employees who elect that method predecease their eligible covered dependents, the dependents may, if eligible, continue to be covered, but must pay the applicable dependent survivor share of the premium.

Employees selecting the alternative method may elect to apply only up to 70 percent of the calculated basic monthly value of the credit toward the monthly premium during their own lifetime. Upon the death of the employee, however, any eligible surviving dependents may also apply up to 70 percent of the basic monthly value of the sick leave credit toward the dependent survivor share of the monthly premium for the duration of the dependents’ eligibility. The State has the right to make prospective changes to the percentage of credit to be available under this alternative method for future retirees as required to maintain the cost neutrality of this feature of the plan.
The selection of the method of sick leave credit application must be made at the time of retirement, and is irrevocable. In the absence of a selection by the employee, the basic method shall be applied.

3. Following implementation, enrollees may fill no less than one prescription for a drug included in the Specialty Program at a Non-Specialty Network pharmacy, except for
those drugs identified as being used for short-term therapy for which a delay in starting therapy would not affect clinical outcome.

4. Enrollees initially filling a prescription for a Specialty Drug at a Non-Specialty Network pharmacy will be contacted by the Program and advised that they must obtain all refills after the allowed fill(s) through the Specialty Drug Program. Thereafter, any additional claims for the same drug will be blocked at Non-Specialty Network pharmacies.

5. Beyond the initial fill(s) described in (3) above, enrollees must contact the Specialty Referral Line, accessible through the NYSHIP toll-free telephone line, prior to obtaining a drug included in the Specialty Program, in order to receive the maximum available benefit. Enrollee calls will be transferred directly to the participating specialty pharmacy that has agreed to provide the drug in question.

6. Once an enrollee contacts the Specialty Referral Line, subsequent fills and refills for the same drug should be requested directly from the Specialty Pharmacy.

7. Any and all prescription(s), initial or refill, beyond those provided for in paragraph (b), for designated Specialty Drugs will be limited to a 30-day supply, unless otherwise agreed to by the State and the Program administrator.

8. All Specialty Pharmacies that are participating in the Specialty Drug Program will provide enrollees with 24/7/365 access to a pharmacist.

9. Drugs meeting the above definition of a “Specialty Drug” will be excluded from coverage under the “standard” Empire Plan Prescription Drug benefit and will be provided through the Empire Plan Specialty Drug Program.
10. Drugs meeting the above definition of a “Specialty Drug” that are not included in the Empire Plan Specialty Drug benefit will continue to be covered under the “standard” Empire Plan Prescription Drug Program.

(c) Personal leave shall not be carried over from year to year.

(d) Personal leave may be used in conjunction with an employee's vacation, and shall be subject to the same conditions as govern vacation.

law, grandchild, step-sibling, step-parent, step-child or any person living in the
employee’s household.

insurance in retirement.

Effective October 1, 2006 for all interest arbitration eligible employees, and
October 1, 2007 for all others, employees shall be required consistent with current

Upon the second instance of failure to provide adequate documentation, the employee
shall be subject to discipline. However, this in no way is intended to otherwise alter
present medical documentation requirements.

procedures.
14.5 **Leave--Probationary Employees**

Every permanent employee holding a position in the competitive class and appointed to a State position from an open competitive eligible list shall be granted a leave of absence from his position for the duration of his probationary term.

In the event an employee in this unit is unable to participate in an examination because of the death within seven days immediately preceding the scheduled date of an examination, of an employee's grandparent, parent, spouse, brother, sister, child, or a relative living in the employee's household, such employee shall be given an opportunity to take such examination at a later date, but in no event shall such examination be scheduled sooner than two days following the date of burial. The Department of Civil Service shall prescribe appropriate procedures for reporting the death and applying for the examination. Appropriate arrangements shall be made in circumstances where there is a protracted period between the death and the burial.

(a) Except as provided in section 14.8(b), when an employee submits proof of the necessity of jury service or appearance as a witness pursuant to subpoena or other order of a court or body, an employee shall be granted a leave of absence with pay with
no charge against leave credits. This section shall not apply to any absence of an employee occasioned by an appearance in an action to which such employee is a party unless the action brought against the employee is job related.

(b) An employee holding a position designated as overtime ineligible may be granted a leave of absence with pay with no charge against leave credits on proof of necessity of jury service or appearance as a witness pursuant to subpoena or other order of a court or body for any period of less than a workweek regardless of whether such employee is a party to the action. This section will be rendered void if the Fair Labor Standards Act (FLSA) is modified to allow overtime ineligible employees to maintain such status and receive the benefit in section (a) above.

14.9 Workers’ Compensation Leave

The Medical Evaluation Program (MEP) for workers’ compensation will be continued. Employees opting into the MEP will receive the benefits provided herein. Those employees opting not to participate in the MEP will be eligible to apply for the statutory workers’ compensation benefits. A light duty component shall be part of the MEP.

(a) An employee necessarily absent from duty because of occupational injury or disease as defined in the Workers’ Compensation Law who is allowed leave from his position for the period of his absence necessitated by such injury or disease shall be: (1) first granted compensation leave with pay without charge to leave credits not exceeding cumulatively six months; and (2) upon exhausting leave pay benefits under (1) above be allowed to draw accrued leave credits; and (3) upon exhausting leave with full pay benefits under (1) and (2) above be allowed sick leave at half pay for which he
may be eligible during such leave unless: (i) there is good and sufficient reason to believe that the disability resulting from such injury or disease is not job related or is primarily due to some pre-existing medical condition; (ii) there is good and sufficient reason to believe that the employee could report for work on a full-time or part-time basis; (iii) the employee’s services would have been terminated or would have ceased under law; or (iv) the employee’s claim for benefit is controverted by the State Insurance Fund.

(b) An employee allowed leave with pay under paragraph 14.9(a) may elect to draw accrued leave credits for part or all of his absence from duty before being granted leave with pay under paragraph 14.9(a)(1) above.

(c) If it is subsequently determined that an employee was not entitled to compensation leave with pay without charge to leave credits for any period for which he was granted such leave as provided herein above, he shall be required to make reimbursement for such paid leave from current or subsequent accumulations of leave credits at a rate and in a manner determined by the appointing authority.

(d) An employee who draws leave credits as provided in paragraph 14.9(a) shall be entitled to restoration of such credits, including those used for absences of less than a full day, as are used during a period of absence for which an award of compensation has been made and credited to the State as reimbursement of wages paid. An employee who is necessarily absent from duty as described herein above may be granted compensation leave with pay without charge against leave credits for absences of less than a full day where such employee returns to work on a part-time basis.
(e) The Employer agrees that an employee eligible for Workers’ Compensation Leave because of occupational injury or disease as defined in the Workers’ Compensation Law, when absent from work for the purpose of attending a hearing scheduled by the Workers’ Compensation Board in connection with such injury or disease shall be granted compensation leave with pay without charge to leave credits for such absence provided, however, that the cumulative total of compensation leave with pay not charged to leave credits granted for attendance at Workers’ Compensation Board hearings or for absences necessitated by the occupational injury or disease shall not exceed six months.

(f) On the employee’s prior written request at least three days in advance, the Employer will reschedule midnight or afternoon shift employees to attend a workers’ compensation hearing to the normal day shift for the day of the hearing.

(g) An employee necessarily absent from duty and removed from the payroll because of occupational injury or disease as defined in the Workers’ Compensation Law shall be treated as though on payroll for the period of disability not to exceed twelve months per injury for the purposes of coverage under the New York State Health Insurance Plan.

(h) The State and NYSCOPBA agree to continue the standing Joint Committee on Workers’ Compensation. The Committee shall consist of an equal number of representatives selected by NYSCOPBA and an equal number of representatives selected by the State. The Committee will be responsible for the ongoing review and oversight of the MEP.

Any employee absent from work without authorization for ten consecutive workdays shall be deemed to have resigned from his position if he has not provided a satisfactory explanation for such absence on or before the eleventh workday following the commencement of such unauthorized absence.

14.11 Medical Verification

(a) When the State requires that an employee who has been absent due to illness or injury be medically examined by a physician chosen by the appointing authority before such employee is allowed to return to work, the appointing authority will make a reasonable effort to ensure that the examination is completed in a timely manner as provided herein.

(b) If, no more than ten working days prior to the date specified by the employee’s physician as the date upon which the employee may return to work, the employee provides the appointing authority with his/her physician’s statement indicating that the employee is able to return to work without restrictions and specifying the date, the appointing authority shall have a total of 20 working days from the date of such advance notice, which shall include the 10 working days following the specified return-to-work date, to complete medical examinations. For each working day of advance notice from the employee less than 10, the appointing authority shall have an additional working day beyond the return-to-work date to complete medical examinations.

(c) If, upon completion of the 20 working day period provided for in Section 14.11 (b), the appointing authority’s physician(s) has not completed the examination(s) of the employee or reached a decision concerning the employee’s return to work, the
employee shall be placed on leave with pay without charge to leave credits until the examination is completed, a decision made and, if approved, the employee is returned to work. The employee may not return to work, however, until the employee has been examined by the appointing authority’s physician and given approval to work. The leave with pay provision of this section shall not apply where the failure of the appointing authority’s physician to complete the medical examination is attributable to the employee’s failure to appear for the examination or the employee’s refusal to allow it to be held.

(d) If, following the employee’s examination, the appointing authority’s physician does not approve the employee’s return to work, the employee shall be placed in the appropriate leave status in accordance with the Attendance Rules. Once a determination has been made that an employee may not return to work, further examinations pursuant to this Article shall not be required more often than once a month; provided, however, where the appointing authority’s physician has specified a date for a further examination or a date when the employee may return to work, the State shall not be required to conduct an examination prior to such date. Where the appointing authority’s physician has not set either a date for further examination or a date upon which the employee may return to work, the employee may submit a further statement from the employee’s physician and the provisions of this Article shall again be applicable. The provisions of this section shall not be construed to limit or otherwise affect the applicability of Civil Service Law Section 73.

(e) When, in accordance with the provisions of this section, the State exercises its right to require an employee to be examined by a physician selected by the
appointing authority, the employee shall be entitled to reimbursement for actual and necessary expenses incurred as a result of travel in connection with such examination, including transportation costs, meals and lodging, in accordance with the Comptroller’s rules and regulations pertaining to travel expenses.

(f) Section 14.11 shall not apply to absences or cases of work-related injuries or illnesses.

14.12 Deficit Reduction Leave

(a) Interest Arbitration ineligible employees

(1) Employees shall be eligible to take 9 days, or the amount credited to them, of deficit reduction leave from the date of ratification of the agreement with Interest Arbitration ineligible employees until March 31, 2013.

(2) The scheduling of such dates off will be subject to supervisory approval. The State will ensure that each employee is allowed to take days off in accordance with this provision.

(3) The exact cash value of the four days of deficit reduction leave from fiscal year 2012-2013 shall be repaid to employees in equal installments over 39 payroll periods beginning with the final payroll period of fiscal year 2015-2016.

(4) Effective October 1, 2012, the vacation accrual maximum in Article 14.1(e) shall be increased to 45 days. The vacation accrual maximum will return to 40 days on October 1, 2013.

(b) Interest Arbitration eligible employees

(1) Employees shall be eligible to take 9 days, or the amount credited to them, of deficit reduction leave from the date of ratification of the agreement with Interest
Arbitration eligible employees until September 30, 2014. Leave will be pro-rated for employees hired on or after March 26, 2012 based on the 4 days for fiscal year 2012-2013.

(2) The scheduling of such dates off will be subject to supervisory approval. The State will ensure that each employee is allowed to take days off in accordance with this provision. Employees may elect to use leave for all absences, including block vacations, in the same manner as vacation leave. Such leave may not be used to cover unscheduled absences such as calling in sick but may be used for pre-planned appointments with prior supervisory approval including medical appointments or pre-scheduled absences normally charged to sick leave.

(3) The exact cash value of the four days of deficit reduction leave from fiscal year 2012-2013 shall be repaid to employees in equal installments over 39 payroll periods beginning with the final payroll period of fiscal year 2015-2016.

(4) Effective October 1, 2012 and October 1 2013, the vacation accrual maximum in Article 14.1(e) shall be increased to 45 days. The vacation accrual maximum will return to 40 days on October 1, 2014.

(5) After ratification, the State will initiate a waiver period pursuant to Article 16.2 to permit employees to revoke existing waivers for fiscal year 2012-2013.

14.13 Workforce Reduction Limitation

For the Fiscal Years 2011-2012 and 2012-2013, employees shall be protected from layoffs resulting from the facts and circumstances that give rise to the present need for $450 million in workforce savings. For the term of the agreement, only material or unanticipated changes in the State’s fiscal circumstances, financial plan or revenue
will result in potential layoffs. Workforce reductions due to the closure or restructuring of facilities, as authorized by legislation or the State’s Spending and Government Efficiency Commission’s determinations are excluded from these limitations.
ARTICLE 15
Overtime, Recall and Scheduling

Certain terms of this Article apply only to employees who are ineligible for Interest Arbitration pursuant to Civil Service Law Section 209(4) on the date of the execution of this Agreement, indicated by (Interest Arbitration ineligible employees only).

15.1 Overtime

(a) Overtime eligible employees shall receive overtime compensation for authorized time worked beyond 40 hours in the scheduled workweek consistent with applicable law and the overtime compensation rules and regulations of the Director of the Budget.

Overtime work shall be offered to employees on the basis of seniority and shall be equitably distributed among employees who normally perform such work. Each employee shall be selected in turn according to his place on the seniority list by rotation provided, however, that the employee whose turn it is to work possesses the qualifications and ability to perform the work required.

(b) An employee requesting to be skipped when it becomes his turn to work overtime shall not be rescheduled for overtime work until his name is reached again in orderly sequence and an appropriate notation shall be made in the overtime roster.

(c) In the event no employee wishes to perform the required overtime work, the Employer shall by inverse order of this seniority list assign the necessary employees required to perform the work in question.

(d) The Union recognizes that work in progress shall be completed by the employee performing the work at the time the determination was made that overtime was necessary.
(e) An overtime roster shall be available for inspection by representatives of the Union at each institution or facility.

(f) If an employee is skipped or denied an opportunity to work overtime in violation of this Agreement, he shall be rescheduled for overtime work the next time overtime work is required, in accordance with paragraph 15.1(a) above. However, at such skipped or denied employee’s option he may await the next available comparable shift and work assignment. Instances of repeated occurrences shall be brought to the attention of management at the Step 1 level of the grievance procedure.

(g) Time during which an employee is excused from work because of vacation, holidays, personal leave, sick leave at full pay, compensatory time off or other leave at full pay shall be considered as time worked for the purpose of computing overtime.

(h) Training programs conducted during other than regular working hours shall be scheduled for a minimum two-hour period.

(i) Nothing in paragraphs 15.1(a), 15.1(b), and 15.1(c) above shall prevent the establishment of mutually agreed to local arrangements regarding the method by which overtime is offered to employees.

15.2 Recall

Any employee who is recalled to work unscheduled overtime including court appearances after having completed his scheduled work period and left the facility grounds shall be guaranteed a minimum of one-half day’s overtime compensation. If an employee lives on the facility grounds and is recalled from their residence to work unscheduled overtime including court appearances after having completed his/her scheduled work period, he/she shall be guaranteed a minimum of one-half day’s overtime compensation. Employees called back as a result of riot, prison break, fire or escape and not put to work shall be guaranteed one-quarter day’s overtime compensation.
15.3  **Shift Changes**

(a) No employee shall have his shift schedule changed for the purposes of avoiding the payment of overtime, unless he has been notified of such change one week in advance of the time in which the changed work period is to begin provided, however, that the circumstances necessitating such change are foreseeable prior to such one-week period.

(b) In the event that circumstances necessitating such shift changes are not foreseeable, then such notice shall be given as soon as possible.

(c) In the event such notice of shift change is not given at least 48 hours prior to the starting time of the scheduled shift which the employee is directed to work, such employee shall not be deprived of the opportunity to work his normal shift and to be paid overtime for the hours worked in excess of 40 hours in the workweek.

(d) Employees who compete in New York State Civil Service examinations and whose shift ends less than eight hours before the starting time of such an examination shall not be required to work that shift and such absence shall not be charged to accrued leave credits.

(e) Regularly scheduled days off shall not be changed for the purpose of avoiding the payment of overtime.

(f) Prior to the making of a final decision with respect to instituting a change in shift system from fixed to rotating shifts or rotating to fixed shifts the Employer shall inform the Union of such contemplated change and provide the Union with an adequate opportunity to review the impact of such change with the Employer at the appropriate level.

15.4  **Overtime Meal Allowance**

An overtime meal allowance of $5.00 [effective 4/1/04, $5.50 for Interest Arbitration ineligible employees only] shall be paid, subject to rules and regulations of the Comptroller, to employees who work at least three hours overtime on a regular
working day or at least six hours overtime on other than a regular working day. When an employee is required to work nine hours or more on other than a regularly scheduled working day, two meal allowances will be allowed.
ARTICLE 16
Holiday Pay

16.1 Option
An employee who is entitled to time off with pay on days observed as holidays by the State who is scheduled or required to work on a holiday shall receive at his option either (a) additional compensation for each holiday worked at the rate of one-tenth of his biweekly rate of compensation or (b) a compensatory day off in lieu of such holiday worked. Compensation for less than a full day of holiday work will be prorated and will include geographic, location, inconvenience and shift pay as may be appropriate to the place or hours worked.

16.2 Waiver
An employee selecting an additional day off in lieu of holiday pay shall notify the payroll agency in writing of his intention to do so with the understanding that such notice constitutes a waiver of his right under this Agreement to receive cash compensation for holidays worked. An employee may execute or revoke such a waiver annually during the period April 1 to May 15 by notifying the Employer in writing of his intention, except that employees hired after the effective date of this Agreement may also execute a waiver at the time of appointment. In the event that no revocation notice is received from an employee during an "open period," any previously executed waiver shall remain in full force and effect.

16.3 Accumulation
(a) Employees who receive compensatory time off for time worked on holidays or in lieu of holidays that fall on employees’ pass days shall continue to have such earned compensatory time off added to and included in their vacation accruals and shall liquidate such time according to rules governing the use of vacation. This method, adopted in 1972, is not intended, however, to change practices concerning the use of
accrued credits. For example, at facilities using a "wheel" or "block" system, employees may use their accruals in excess of those needed for the "wheel" or "block" schedules in conjunction with their scheduled vacations or separately.

(b) The present maximum of allowable vacation accruals and amounts of vacation credits for which equivalent cash payments will be made upon separation from employment, death or retirement remains unchanged.

16.4 Holiday Observances

(a) An employee who is entitled to time off with pay on days observed as holidays by the State as an Employer shall be granted compensatory time off when any such holiday falls on a Saturday, provided, however, that employees who work on any such Saturday may receive additional compensation in lieu of such compensatory time off in accordance with Section 16.2 of this Article. The State may designate a day to be observed as a holiday in lieu of such holiday which falls on Saturday.

(b) When December 25 and January 1 fall on Sundays and are observed as State holidays on the following Mondays, employees whose work schedule includes December 25 and/or January 1 shall observe the holiday on those dates, or if required to work, may receive additional compensation or compensatory time off in accordance with Section 16.1 of this Agreement. In such event, for those employees, December 26 and January 2 will not be considered holidays.

(c) An employee who is entitled to time off with pay on days observed as holidays by the State as an Employer shall be allowed compensatory time off whenever any such day falls on the employee's pass day.

16.5 Definition

As used in this Agreement, the term holiday shall mean: New Year's Day, Martin Luther King Day, Lincoln's Birthday, Washington's Birthday, Memorial Day, Independence Day, Labor Day, Columbus Day, Election Day, Veterans' Day, Thanksgiving Day, Christmas, or a day designated by the State to be observed as a
holiday in lieu of such holiday, and any other day designated as a holiday for State employees by the Governor as an Employer.

(b) Effective on the date of execution of this Agreement:

(1) Receipted lodging and meal expenses for authorized overnight travel in locations within and outside of New York State shall be reimbursed to a maximum of published per diem rates as specified by the Comptroller. Said rates shall be equal to

government to its employees for such locations.

(2) In locations for which no specific rate is published, receipted lodging
and meal expenses for authorized overnight travel within and outside of New York State
shall be reimbursed to a maximum of the combined per diem lodging and meal
reimbursement rate provided by the federal government to its employees for such
locations.

(3) The rates in paragraphs (1) and (2) above shall be revised in
accordance with any revision made in the per diem rates provided by the federal
government to its employees.

(c) When the employee is in travel status for less than a full day, and incurs no
lodging charges, reasonable and necessary receipted expenses will be allowed for
breakfast and dinner as determined by the Comptroller in accordance with law.

(d) Employees shall be eligible for advance payments for authorized official
travel for lodging and meals subject to the Comptroller’s Rules and Regulations.

17.2 **Mileage Allowance**

The personal vehicle mileage reimbursement rate for employees in this unit shall
be consistent with the maximum allowance permitted by the Internal Revenue Service.
Such payments shall be paid in accordance with the Rules and Regulations of the
Comptroller.

17.3 **Triborough Bridge Tolls**

The Employer agrees to arrange for work-related passage over the Triborough
Bridge without cost for car tolls to employees employed and not residing at facilities at
Ward’s Island, New York, operated by the New York State Department of Mental Hygiene for the reasons that (a) heretofore, free ferry service was provided to the Island, which service has been discontinued, and (b) there is no other way for such employees to reach their work by car except over a toll bridge.

17.4 Escort Meal Allowance

(a) The Employer will provide all employees who escort wards of the State between the hours of 11:00 a.m. and 1:00 p.m., and who are responsible for the purchasing of a noon meal for said wards, a subsidy of $3.50 for the purpose of purchasing their own meal.

(b) All employees required to escort wards on trips and to remain with those wards while on that trip, and who are required to begin and end their workday at their official station shall be eligible for escort meal allowances while in travel status. All requirements for that reimbursement must be met except for the requirement that the employee must be over 35 miles from home in order to be eligible.
ARTICLE 18
Payroll Computation

18.1 The Employer shall calculate employees' salary payments on an appropriate ten working-day basis.

18.2 The Employer agrees that paychecks issued to employees will be delivered no later than Thursday following the end of the next succeeding payroll period.

When employees leave State service, their final salary check shall be issued at the end of the payroll period next following the payroll period in which their service is discontinued. This final salary check shall be paid at the employee's then-current salary rate.

18.3 Overtime and holiday pay authorized to be compensated for in cash shall be paid to employees by the close of the second biweekly payroll period following the payroll period during which it was earned.
ARTICLE 19
Credit Union Deductions

The Employer agrees to deduct from the salary of an employee an amount authorized in writing by the employee which shall be within the minimum and maximum amounts specified by the Comptroller and to transmit such funds to a bona fide credit union. The sums transmitted shall be used for appropriate purposes and their specific allocation shall be determined by an arrangement between the employee and his credit union. The authorization for such deductions may be withdrawn by an employee at any time upon filing of a written notice of such withdrawal with the State Comptroller. The deductions shall be in accordance with reasonable rules and regulations of the Comptroller not inconsistent with law which may be necessary for the exercise of this authority under this Article.
ARTICLE 20
Uniforms

Certain terms of this Article apply only to employees who are ineligible for Interest Arbitration pursuant to Civil Service Law Section 209(4) on the date of the execution of this Agreement, indicated by the phrase (Interest Arbitration ineligible employees).

20.1 When the Employer requires an employee to wear a uniform, the Employer shall continue to furnish such employee with a uniform or replacement of such part of such uniform as may reasonably be necessary pursuant to the policies of each appointing authority which were in effect on March 31, 1985 except as modified in Section 20.2 below.

20.2 All Interest Arbitration ineligible employees in the unit on the payroll on the last day of the payroll period in which November 1 falls shall receive an allowance, by separate check, for uniform cleaning and maintenance on or about December 1 of each year of this Agreement as follows:

December 1, 2009 - $681
December 1, 2010 - $708

Effective 3/31/2011, the uniform allowance shall be increased to $1075, rolled into base and eliminated as a separate payment for all full-time salaried employees not subject to Appendix D.

Permanent part-time employees will also be eligible for a uniform allowance at a prorated amount equal to the prorated amount of their respective employment.
This allowance replaces all existing uniform cleaning provisions and/or allowances and shall cover all uniform cleaning and maintenance requirements (e.g., sewing, patches, etc.), and the provision and repair of uniform shoes.

20.3 Whenever replacement of uniform parts or equipment is not available, the Department, agency or institution will make a reasonable effort to secure replacements as soon as is practicable.
ARTICLE 21

21.1 Pursuant to Section 24 of the Correction Law and Section 19.13 of the Mental Hygiene Law, no civil action shall be brought in any court of the State, except by the Attorney General on behalf of the State, against any officer or employee of the Office of Alcoholism and Substance Abuse who is charged with the duties of securing the custody of a drug dependent person or a person in need of care and treatment for alcoholism, or against any officer or employee of the Department of Corrections and Community Supervision, in his personal capacity for damages arising out of any act done or the failure to perform any act within the scope of employment and in the discharge of duties by any such officer or employee. Any claim for damages arising out of any act done or the failure to perform any acts within the scope of the employment and in the discharge of the duties of such officer or employee shall be brought and maintained in the Court of Claims as a claim against the State.

21.2 The Employer shall continue existing policies as established by Section 24 of the Correction Law and Section 19.13 of the Mental Hygiene Law, relating to claims filed in a court of the United States for civil damages under the Federal Civil Rights Act against an employee in the Department of Corrections and Community Supervision or in the Office of Alcoholism and Substance Abuse.

This duty to provide for a defense shall not arise where such civil action or proceeding is brought by or on behalf of the State, provided further, that the duty to defend or indemnify and save harmless shall be conditioned upon (a) delivery to the Attorney General or an assistant Attorney General at an office of the Department of Law in the State by the employee of the original or a copy of any summons, complaint, process, notice, demand or pleading within five days after he is served with such document, and (b) the full cooperation of the employee in the defense of such action or proceeding and in defense of any action or proceeding against the State based upon the same act or omission, and in the prosecution of any appeal. Such delivery shall be deemed a request by the employee that the State provide for his defense pursuant to this section.

21.5 The Employer agrees to indemnify and save harmless its employees as set forth in subdivision 3 of Section 17 of the Public Officers Law in the amount of any judgment obtained against such employees in any state or federal court, or in the amount of any settlement of a claim, or shall pay such judgment or settlement, provided that the act or omission from which such judgment or settlement arose, occurred while
the employee was acting within the scope of his public employment or duties; the duty
to indemnify and save harmless prescribed by this section shall not arise where the
injury or damage resulted from intentional wrongdoing on the part of the employee,
provided further, that nothing contained herein shall authorize the State to indemnify or
save harmless an employee with respect to fines or penalties, or money recovered from
an employee pursuant to article 7-a of the State Finance Law; provided, however, that
the State shall indemnify and save harmless its employees in the amount of any costs,
attorneys' fees, damages, fines or penalties which may be imposed by reason of an
adjudication that an employee, acting within the scope of his public employment or
duties, has, without willfulness or intent on his part, violated a prior order, judgment,
consent decree or stipulation of settlement entered into in any court of this State or of
the United States.

21.6 The employee shall inform his supervisor when he informs the Attorney
General of the services he has received under Sections 21.2 or 21.3 above. In addition,
Sections 21.3, 21.4 and 21.5 of this Article shall not apply to an employee of the
Department of Corrections and Community Supervision or the Office of Alcoholism and
Substance Abuse to the extent he is covered by Sections 21.1 and 21.2 of this Article.

21.7(a) The Employer agrees to continue to provide the protection described in
Section 19 of the Public Officers Law providing reimbursement for reasonable attorneys'

occurred while the employee was acting within the scope of his public employment or
duties, upon acquittal or dismissal of criminal charges.
(b) The Employer agrees to continue to provide the protection described in Section 19 of the Public Officers Law providing for reimbursement of costs of employees for reasonable attorneys’ fees for appearances before a grand jury arising out of any act which occurred while such employee was acting within the scope of his public employment or duties.

21.8 The Employer and the Union agree to enter into a contract to provide for the implementation of a legal defense fund, in the amount of $150,000 in accordance with such terms as shall be jointly agreed upon by the parties and subject to the approval of the Comptroller, to be administered by the Union to provide legal defense for the members of the Security Services Unit who are represented by the Union for each year covered by this Agreement who may be defendants or witnesses in criminal or civil matters arising out of the discharge of their duties and in the course of their employment where Public Officers Law Sections 17 and 19 do not provide such representation.

21.9 The Employer as a self-insurer agrees to provide adequate liability coverage for employees who use their homes in the performance of their official duty.
ARTICLE 22
Safe Working Conditions

22.1 The Employer shall provide safe working conditions for the protection of employee well-being. The Employer and the Union remain committed to a cooperative effort to provide safe working conditions for employees. Consistent with this commitment, the Employer and the Union have entered into a Memorandum of Understanding to better and more effectively deal with and respond to health and safety issues at the work site.

22.2 Any matters pertaining to safety standards and conditions may be discussed in labor/management committees at the appropriate level including the executive level.

22.3 The parties recognize that in the course of their employment, employees provide various services to individuals with chronic illnesses and infectious diseases including HIV and may be exposed to such illnesses and diseases. For employees who are likely to have more than casual contact with individuals that may be infectious, the Employer must allow employees to take universal precautions when they may come into contact with said individuals.

22.4 As soon as practicable after the signing of the Agreement, the parties commit to meet on an agency-by-agency basis to establish guidelines which address the effects of infectious disease upon employees. Considerations shall include the issues of confidentiality, employee notification and education, use of precautions and agency policies, consistent with applicable law.

22.5 Grievances alleging failure to comply with this Article shall be processed pursuant to Article 7, paragraph 7.1(b).
ARTICLE 23

23.1 The Employer agrees to provide for the uniform administration of the procedure for reimbursement to employees for personal property damage or destruction as provided for by subdivision 12 of Section 8 of the State Finance Law which provides for the payment of any claim submitted and approved by the head of a State department or agency having employees in the Security Services Unit for personal property of employees of such unit damaged or destroyed without fault on his part as a result of actions unique to the performance of law enforcement duties to include actions during fire, search, and rescue duties, in accordance with rules and regulations promulgated by the department or agency head after consultation with the Union and with the approval of the Comptroller.

23.2 The Employer agrees to provide for payments of up to $350 out of local funds at the institution level as provided by subdivision 12 of Section 8 of the State Finance Law.

23.3 Allowances shall be based upon the reasonable value of the property involved and payment shall be made against a satisfactory release.
ARTICLE 24
Seniority

24.1 For the purposes of this Article, seniority shall be defined as the length of an employee's uninterrupted service in title including sick leave, military leaves not to exceed four years, and other leaves of absence which do not exceed one year and Workers' Compensation Leave.

24.2 Seniority shall be the basis by which employees shall select pass days.

24.3 The Employer shall have the right to make any job or shift assignment necessary to maintain the services of the department or agency involved. However, job assignments and shift selection shall be made in accordance with seniority provided the employee has the ability to properly perform the work involved. Before making a permanent assignment the Employer shall post all permanent vacancies in shifts or job assignments for a period of 30 days during which employees may bid. Bids shall be awarded at the end of the 30 day bidding period. The employee will start the new assignment within two weeks after the close of the 30 day bid period except when extended by mutual consent, but in no case longer than 30 days from the award of the bid. Grievances arising under this section shall be processed up to Step 3 of the grievance procedure but not to arbitration.

24.4 An employee shall not have the right to bump for any reason.

24.5 The shift and pass day provisions of this Article shall not apply to those departments or agencies whose employees function on a rotating shift basis.

24.6 Nothing contained in Section 24.2 of this Article shall prevent mutually agreed to local arrangements regarding the method that pass days are to be selected.

24.7 The Employer agrees to provide the Union a list of its employees by department or agency and seniority and to update it quarterly.
ARTICLE 25
Labor/Management Committees

25.1 To facilitate communication between the parties and to promote a climate conducive to constructive employee relations, joint labor/management committees shall be established at the executive, departmental and local levels of operations to discuss the implementation of this Agreement and other matters of mutual interest. The size of the committees shall be limited to the least number of representatives needed to accomplish their objectives. Committee size shall be determined by mutually agreed upon arrangements at the appropriate level. The composition of each local Union’s labor/management committee shall be at the discretion of the Union. Time approved for such meetings shall be authorized only for employees of the department or agency for which the meeting is held except that the President and five regional Vice Presidents of a statewide local can be granted time for departmental level labor/management committee meetings in agencies other than their own.

25.2 Such committees will meet as necessary. Written agenda will be submitted a week in advance of regular meetings. Special meetings may be requested by either party. An agenda will be submitted along with the request. Such special meetings will be scheduled as soon as possible.

25.3 Approved time spent in such meetings (including actual and necessary travel time, not to exceed eight hours each way, for executive and department level meetings) shall neither be charged to leave credits nor considered as overtime worked. Management shall make every effort to reschedule shift assignments or pass days so that meetings fall during working hours of Union representatives.

25.4 Labor/management committee meetings shall be conducted in good faith. These committees shall have no power to contravene any provisions of this Agreement or to agree to take any action beyond the authority of the management at the level at
which the meeting takes place. Matters may be referred to and from the facility and
department or agency levels as necessary. The parties may issue joint meeting
minutes and letters of understanding. Any arrangement which is mutually agreed upon
shall be reduced to writing within 14 calendar days. Any arrangement which is the
subject of a memorandum of understanding, letter of understanding or joint meeting
minutes shall not be altered or modified by either party without first meeting and
discussing with the other party at the appropriate level in a good faith effort to reach a
successor agreement. Any alterations or modifications to a written local
labor/management agreement as described in this section may occur no sooner than
five days after such meeting and discussion and subsequent written notification of the
changes received by the other party. Implementation of such alterations or
modifications shall not occur without adherence to the procedures herein described. In
cases where emergency conditions necessitate a variation of an established
labor/management agreement by either party, the other party must be notified of such
variation as soon as possible. Such variation will be reviewed by the designated Union
and Management Chairs of the local labor/management committee within seven days.
Disagreements growing out of the implementation of memorandum or letters of
understanding may be initiated at the 3rd Step of the grievance procedure as contained
in Article 7, paragraph 7.1(b).

25.5 Staff representatives of the Governor’s Office of Employee Relations and
the Union will render assistance to local joint committees in procedural and substantive
issues as necessary to fulfill the objectives of this Article and may participate in such
meetings.

25.6 The Employer and the Union will review the manner in which quality of work
life efforts should be provided in this unit. Effective April 1, 2012, funding will be
appropriated for that year and each successive year of this Agreement, as set forth in
Article 1.1, for a statewide labor/management committee in the amount of $279,000.
Effective April 1, 2014 that amount shall be increased to $284,580; Effective April 1, 2015 that amount shall be increased to $290,272.

This section is not subject to the provisions of Article 7 of this Agreement.

25.7(a) The Employer shall continue the program established by Section 154-b(8) of the Civil Service Law to provide a survivor’s benefit in the amount of $50,000 in the event that an employee dies on or after the effective date of this Agreement as a result of an accidental on-the-job injury or disease provided that it is finally determined by the appropriate federal authorities that a public safety officer’s death benefit is not payable pursuant to Section 3796 through Section 3796-C of Title 42 of the United States Code (the Federal Public Safety Officer Benefit Act) and provided that a death benefit is paid pursuant to the Workers’ Compensation Law. Such survivor’s benefit shall be paid to the employee’s surviving spouse and dependent children as designated by the Workers’ Compensation Board and in the same proportion as provided in the Workers’ Compensation Law. In the event an employee is not survived by a spouse or dependent children, the survivor’s benefit shall be paid to the estate of the employee. Such survivor’s benefit shall be in addition to and not in place of any other survivor’s or death benefit except that such benefit will not be payable if a public safety officer’s death benefit is payable pursuant to the Federal Public Safety Officer Benefit Act.

(b) The Employer shall continue the program established by Section 154-b(3) of the Civil Service Law to provide an employee’s dependent child or children who are designated to receive a death benefit by the Workers’ Compensation Board as a result of a determination that such employee has died of an on-the-job injury or disease on or after the effective date of this Agreement with full tuition up to the amount charged by a SUNY college or university to attend any college or university provided such child or children meet the entrance requirements of that college or university.

25.8 The Employer shall not contract out for goods and services performed by employees which will result in any employee being reduced or laid off without prior
consultation with the Union concerning any possible effect on the terms and conditions of employment of employees covered by this Agreement.

25.9 The State of New York as the Employer and the Union agree that they shall hereinafter enter into a contract to provide for the implementation of an employee benefit fund, in accordance with such terms as shall be jointly agreed upon by the parties and subject to the approval of the Comptroller, to be administered by the Union to provide certain benefits for full-time annual salaried employees in the Security Services Unit.

For each full-time annual salaried unit employee, the Employer shall deposit an amount in the employee benefit fund as follows: April 1, 2009, $40; April 1, 2010, $40; April 1, 2011, $40; April 1, 2012, $40; April 1, 2013, $40; April 1, 2014, $40.80; April 1, 2015, $41.62. For the purposes of determining the amount to be deposited in accordance with this section, the number of employees shall be determined to be the number of full-time annual salaried unit employees on the payroll each preceding March 1, as set forth above in this paragraph.

25.10 Family Benefits

(a) Dependent Care Advantage Account (DCAA)

The Employer and Union shall continue to provide the DCAA Program provided by the New York State Labor/Management Child Care Advisory Committee to the extent that federal and state laws allow. This program will provide employees with the opportunity to increase their spendable income by paying for all or part of selected benefits such as child care, elder care and dependent care with pre-tax dollars.

Effective on the date of ratification of this Agreement, the State shall provide an annual contribution to the Dependent Care Advantage Account as follows:

In subsequent years, the Employer contribution may be increased or reduced so as to fully expend available funds for this purpose, while maintaining salary sensitive differentials. In no event shall the aggregate employer contribution exceed the amounts provided for this purpose. In the interest of providing greater availability of dependent care and other services to NYSCOPBA-represented employees and maximizing resources available, the Family Benefits Program may support additional initiatives as recommended by the Advisory Committee.

A Joint Labor/Management Advisory Committee, which recognizes the need for combined representation of all employee negotiating units, and the State, will monitor and evaluate the Family Benefits Program and other work-life services.

Mutually agreed to activities of this Committee shall be funded pursuant to this section.

(b) The parties agree to participate in the LifeWorks program.

(c) The parties agree to continue participation in the Directions Program.
(d) Effective April 1, 2012 funding for the programs in this section, 25.10, shall be provided as follows: for DCAA and LifeWorks, $430,500 for that year and each successive year of the contract as set forth in Article 1.1. Effective April 1, 2014 that amount shall be increased to $439,110; Effective April 1, 2015 that amount shall be increased to $447,892. This shall include funding for Directions with the agreed upon amount for each year. The parties agree that such funding is effective on the April 1, 2012, and shall sunset on the expiration date of this Agreement, unless extended by written mutual agreement by the parties.

25.11 The parties agree to form a joint labor-management committee to review and evaluate all leave usage by unit members who are interest arbitration ineligible and the manner of such usage and make recommendations to the Director of GOER and the President of NYSCOPBA for implementation.
ARTICLE 26
No Strike Clause

26.1 No lock out of employees shall be instituted by the Employer during the term of this Agreement.

26.2 No strike of any kind shall be instigated, encouraged, condoned or caused by the Union during the term of this Agreement.
ARTICLE 27
Preservation of Benefits

With respect to matters not covered by this Agreement, the Employer will not seek to diminish or impair during the term of this Agreement any benefit or privilege provided by law, rule or regulation for employees without prior notice to the Union and when appropriate, without negotiations with the Union provided, however, that this Agreement shall be construed consistent with the free exercise of rights reserved to the Employer by Article 6 of this Agreement.
ARTICLE 28
Savings Clause

Should any article, section or portion thereof of this Agreement be held unlawful and unenforceable by any court of competent jurisdiction or shall have the effect of loss to the State of funds made available through Federal law, such decision shall apply only to the specific article, section or portion thereof directly specified in the decision; upon the issuance of such a decision the parties agree immediately to negotiate a substitute for such article, section or portion thereof.
ARTICLE 29

Printing of Agreement

The Union shall be responsible for reproducing this Agreement. Distribution to the State and to employees will occur as soon as practicable following the execution of this Agreement. The cost of printing this Agreement shall be shared equally by the Union and the State.
ARTICLE 30
APPROVAL OF THE LEGISLATURE

It is agreed by and between the parties that any provision of this agreement requiring legislative action to permit its implementation by amendment of law or by providing the additional funds therefore, shall not become effective until the appropriate legislative body has given approval.
ARTICLE 31

Conclusion of Collective Negotiations

31.1 The Employer and the Union agree that this Agreement is the entire Agreement, terminates all prior agreements or understandings and concludes all collective negotiations during its term. Neither party will during the term of this Agreement seek to unilaterally modify its terms through legislation or other means which may be available to them.

31.2 The parties acknowledge that, except as otherwise expressly provided herein, they have fully negotiated with respect to the terms and conditions of employment and have settled them for the term of this Agreement in accordance with the provisions thereof.

31.3 The Employer and the Union agree to support jointly any legislation or administrative action necessary to implement the provisions of this Agreement.
IN WITNESS THEREOF, The parties hereto have caused this Agreement to be signed by their respective representatives.

NYSCOPBA SALARY SCHEDULE
INTEREST ARBITRATION ELIGIBLE
Effective April 2, 2015 (Institution) and
Effective March 26, 2015 (Administration)
Appendix B
Training Notices

Agencies will continue procedures to insure that notices of agency level training programs are posted for 15 days on bulletin boards whenever practical. At the request of the Union, agency level labor/management committees will review criteria and method of selection of assignment to agency training programs. If such meetings fail to resolve the issue, the Union may request an executive level labor/management meeting as provided in Article 25 to discuss the matter.
Appendix C

The items in this Appendix are reviewable pursuant to Article 7.1(b) of the Security Services Unit Agreement.

Counseling

Counseling is an effort on the part of a supervisor to provide to an employee, positively or negatively, significant feedback regarding on-the-job activity. It is meant to be a positive communications device, clarifying what has occurred and what is expected. Counseling is not disciplinary, having constructive goals, such as assisting in employee development, or teaching or modifying behavior. It involves face-to-face contact, and out of respect for the employee and the process, must be conducted in private. Counseling is a direct technique that should involve two individuals, the supervisor and the subordinate. If the counseling situation warrants that more than one supervisor be present, the employee being counseled must be afforded the opportunity to invite a Union representative who is readily available to attend the counseling session.

Counseling is not viewed as a routine matter. When contemplating the issuance of a follow up memo, supervisors should consider if that level of formal response is necessary or appropriate. Not all incidents require counseling; not all counseling requires the issuance of a memo. Consideration of this action may be appropriate for discussion with higher levels of supervision and/or the personnel department. If such a memo is issued to an employee, it must accurately describe the discussion and clearly establish expectations for the future. Overall, counseling is viewed as a supportive supervisory means of communicating with employees.
An employee is not required to sign a counseling memo. An employee may be asked to acknowledge receipt of a counseling memo by signing it prior to its placement in his official personal history folder. Such signature does not necessarily indicate agreement with the contents of the memo. The employee has the right to file a response to a counseling memo in his official personal history folder. Grievances arising out of the application of this Appendix shall be processed pursuant to Article 7, paragraph 7.1(b).

**Labor/Management Agreements**

It is the intention of the State to continue all existing labor/management agreements subject to the provisions of Article 25 of the Agreement and consistent with this Agreement notwithstanding the provisions of Article 31 of the Agreement.
Appendix "D"

Seasonal/Temporary Part-Time Employees Agreement

(1) The provisions of the Security Services Unit Agreement shall be applied as specified in this Agreement (excluding Articles 5.3, 9, 11, 12, 14, 16, 18, 20 and 24) to Seasonal and part-time temporary employees other than those in annual salaried positions insofar as they are applicable by their terms; such employees are hereinafter referred to as "employees."

(2) Employees who work at least 160 hours during the season (at least 20 days) will be entitled to additional compensation at their hourly rate, up to a maximum of eight hours, for time worked on each of the first three (3) days during their employment in any seasonal period (4/1 to 9/30 and 10/1 to 3/31) which are observed as holidays by the State. Such compensation should be paid retroactively upon completion of five weeks of work.

(3)(a) The State will continue to provide seasonal employees presently receiving uniforms with uniforms according to the policies in effect in the employing agencies.

(b) Temporary part-time employees in the title of Conservation Security Worker or Assistant Forest Ranger, who work more than 520 hours in a fiscal year, shall receive one-quarter of the uniform allowance provided in Article 20 of the Security Services Unit Agreement payable upon completion of the 520 hours of work once during the fiscal year.

(c) Temporary part-time employees in the title of Conservation Security Worker or Assistant Forest Ranger, who work more than 1,040 hours in a fiscal year shall be eligible to receive an additional one-quarter of the uniform allowance provided
in Article 20 of the Security Services Unit Agreement payable upon completion of the 1,040 hours of work once during the fiscal year.

(d) Effective April 1, 2012, the uniform allowance provided in Article 20 of $1075 shall be applied to all employees in titles who are required to wear uniforms and will be paid on the same pro-rata basis as in 3(b) and (c). This uniform allowance will continue as a separate payment for those employees covered by the appendix.

(4) Employees who have completed at least six years of continuous service of six pay periods on a scheduled half-time or greater basis in each of those six years, shall be entitled to an exit interview with the appointing authority or designee following notice of involuntary separation. In such instances, the local union representative shall be notified of the involuntary separation, and may accompany the employee in the exit interview session.

(5)(a) Employees may purchase health insurance under the terms of the health insurance contracts in force during this Agreement. Such coverage is offered on a full pay basis (i.e., both the Employer and the employee share) through December 31, 2000 for the duration of their employment. Effective January 1, 2001, Seasonal employees will be eligible for health insurance at the employee premium share while they are on the payroll as follows: the employee must be expected to work at least six months and the employee must be employed on at least a half-time basis. Upon an employee leaving the payroll, if the employee is not off the payroll for more than six months, the employee is eligible for health insurance upon the return to work and will not be required to satisfy the six month minimum employment requirement.

(b) Employees who have completed at least six years of continuous service of six pay periods on a scheduled 40 hours a pay period or greater basis in each of those
six years and who are eligible for rehire, may continue their health insurance coverage on a full pay basis between seasons. Should an employee fail to return in the following season, health insurance coverage will be terminated.

(6) Seasonal employees who have been continuously employed on at least a forty hours per pay period basis, for 19 pay periods, shall be entitled to attendance rules coverage, in accordance with Civil Service Attendance Rules and the appropriate provisions of this negotiated Agreement. Employees not covered by the Attendance Rules and not eligible for Workers' Compensation leave provisions will be allowed leave with pay for injuries sustained in the line of duty. Use of such leave is to be held to a minimum and, in no event, is to exceed three days or 24 hours pay per year, whichever is less.

(7) Compensation

(a) The salary provisions of Article 11.2 of the Security Services Unit Agreement shall apply to all employees.

(b) The provisions of Article 11.9, Pre-Shift Briefings, shall be applicable to employees employed on a normal 35 to 40 hour week basis in the following titles: Park Ranger, Safety and Security Officer, Conservation Security Worker, Lake George Marine Officer 1, Lake George Marine Officer 2 and Assistant Forest Ranger.
Dear Mr. Rowe:

When a representative of any outside police or investigative agency other than representatives of the agency or department in which the employee is employed, seeks to interrogate, question or interview an on-duty employee in connection with an investigation, the employee is not under any compulsion or requirement as a condition of his employment to submit to such interrogation conducted at the work site by the representative of such outside police or investigative agency. Management will not seek or attempt to coerce or persuade any employee to submit to such interrogation conducted by the representatives of such outside police or investigative agency.

The provisions hereof are not applicable to interrogations of an employee by representatives of the agency or department in which the employee is employed or by any Commissions or bodies charged by the Mental Hygiene Law with the duty to conduct investigations.

Sincerely,

/s/ Gary Johnson
Director
Mr. Donn Rowe  
President  
NYS Correctional Officers and  
Police Benevolent Association, Inc.  
102 Hackett Boulevard  
Albany, New York 12209

Dear Mr. Rowe:

This is to confirm that the Employer intends to increase the Correction Officer Trainee rate consistent with the 2009-2016 salary increases for the Correction Officers in the Security Services Unit.

Sincerely,

Gary Johnson  
Director
Dear Mr. Rowe:

During negotiations between the State and NYSCOPBA for the Security Services Unit in June 2012, you mentioned that it is NYSCOPBA’s desire that all temporary retirement benefits be extended as was done in the 2003-2007 negotiations.

While there presently are certain temporary retirement benefits provided for employees in the Security Services Unit, the subject of retirement is a prohibited subject of negotiations. While we did not negotiate nor discuss these matters in our current negotiations, pursuant to law, the existing temporary retirement benefits will continue until otherwise modified or revised through the legislative process.

Sincerely,

/s/ Gary Johnson
Director
Re: Article 17, Travel

Dear Mr. Rowe:

This is to confirm our understanding on certain issues related to Article 17, Travel, as described below:

(1) Notification of change

In the event of any change in the rate of reimbursement, the Union shall be promptly furnished with a copy of such changes and the changes will also be posted for employee inspection and information.

(2) Incidental expenses

Parking, tolls, taxis, and similar expenses shall continue to be reimbursed in accordance with the Comptroller's Rules and Regulations.

(3) Reimbursement Methods

The provisions of Article 17 as they relate to reimbursement for lodging and meal expenses for authorized overnight travel, be they receipted or unreceipted, do not contemplate any change in the current method by which the Comptroller requires employees to compute expenses on travel vouchers. These methods are commonly known as "Method I" for unreceipted travel and "Method II" for receipted travel.
I trust the above is reflective of our understanding.

Sincerely,

/s/ Gary Johnson
Director
Dear Mr. Rowe:

The State and NYSCOPBA recognize that in the course of performing their jobs, exposure to tuberculosis (TB) and the possibility of contracting active TB is a major concern for employees and their families.

The State and NYSCOPBA are committed to the ongoing exploration of a range of accommodations in those instances where an employee has contracted active TB. Such accommodations warranting further exploration may include development of reassignments to non-contact positions to limit the exposure of employees as medically necessary and discussion of the concept of redeployment to another State agency of such an employee when continued performance of job duties would place an employee "at risk."

Discussion, consideration and exploration will be undertaken by a statewide joint labor/management work group under the auspices of Article 22 of the Agreement. The mechanics of how such accommodations might be accomplished, contractual implications, and the process by which suitable alternate placement opportunities might be facilitated will be discussed. The parties will evaluate the legal, fiscal and operational ramifications of such a concept, and consider other supportive measures such as retraining and counseling beyond that which would otherwise be provided on an agency basis. Although the focus of discussions pertains primarily to TB, the parties will discuss other infectious diseases as well.
Of course, pro-active agency approaches such as education, the development of protocols, and the availability of proper equipment will remain a priority to help reduce the possibility of exposure.

Sincerely,

/s/ Gary Johnson

Dear Mr. Rowe:

   To help ensure and encourage the physical fitness of members of the bargaining unit, the parties may discuss, on an agency or statewide labor/management level, the implementation of a pilot voluntary physical fitness program. Such discussions may include appropriate standards and incentives.

Re: Standby On-Call Rosters  

Dear Mr. Rowe:  

This is to confirm the parties’ understanding with respect to standby on-call rosters in the Security Services Unit.  

Eligible employees in the State University of New York and the Office of Parks, Recreation and Historic Preservation who are required to be available for immediate recall and who must be prepared to return to duty within a limited period of time shall be listed on standby on-call assignment rosters. Assignments to such rosters shall be equitably rotated, insofar as it is possible to do so, among those employees who are eligible for overtime compensation under the definition contained in the Fair Labor Standards Act, qualified and normally required to perform the duties. The establishment of such rosters at a facility shall be subject to the authorization of the department or agency involved and the approval of the Director of the Budget.  

An employee who is eligible to earn overtime under the definition contained in the Fair Labor Standards Act shall not be required to remain available for recall unless the employee’s name appears on an approved recall roster. Such employee shall be paid an amount equal to 20 percent of the employee’s daily rate of compensation (i.e., one-tenth of the bi-weekly rate of compensation and will include geographic, locational, inconvenience and shift pay as may be appropriate to the place or hours normally worked) for each eight hours or part thereof the employee is actually scheduled to
remain and remains available for recall pursuant to such roster. An eligible employee
who is actually recalled to work from the roster will receive appropriate overtime or
recall compensation as provided by the State/NYSCOPBA Agreement. Administration
of such payments shall be in accordance with rates established by the Director of the
Budget.

Sincerely,

/s/ Gary Johnson
Director
Re: Step 2 Meetings

Dear Mr. Rowe,

The State and NYSCOPBA agree that Step 2 meetings are an important part of the labor-management relationship and that, under Article 7, Step 2 meetings are a necessary component of the grievance review process and will take place. Therefore, these meetings should be face-to-face and include an appropriate representative of the Commissioner of DOCCS from its Central Office as designated by the Commissioner and an appropriate union representative as designated by the NYSCOPBA President.

The parties also affirm that in order to make these meetings meaningful the parties must work cooperatively to establish basic rules for the conduct of these meetings that include, but are not limited to:

- Meetings at the hub level that involve a discussion of pending grievances in the hub. Such meetings can and should occur at the facility level to discuss grievances from a specific facility as the need arises;
- The frequency of these meetings;
- A teleconferencing and/or videoconferencing process that provides for an appropriate number of these meetings to take place via teleconference and/or videoconference;
- Provisions for the participation of a grievant at the Step 2 meeting, teleconference or videoconference;
- Provision of information by both parties in advance of the Step 2 meeting, teleconference or videoconference to promote efficiency at the Step 2 and the potential for resolution prior to the actual meeting;
Provision for an agreement on when Step 2 meetings are not required so that the Employer may issue a decision without such meeting;

GOER and NYSCOPBA will meet in Executive labor-management to establish these basic rules with appropriate local and agency representative participation.

Sincerely,

/s/ Gary Johnson
Director
