

Business Building Classroom Technology - Dual Projection

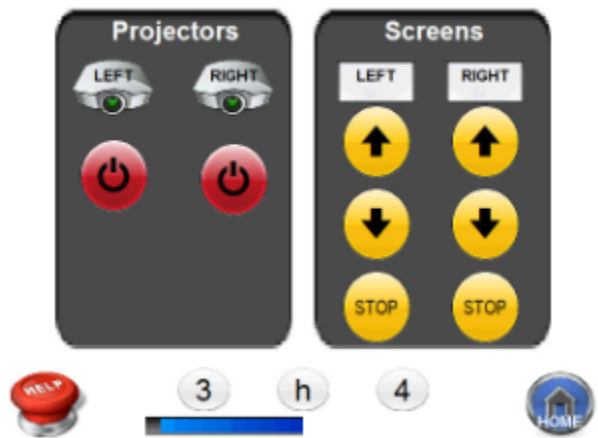

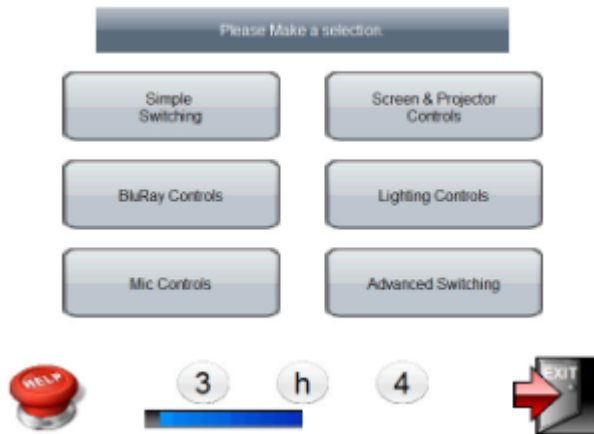

Use your SUNY card to unlock the equipment rack. If you experience difficulty please contact Customer Service 518-442-3480.

At the end of your class, close the equipment rack door and make sure it locks. The next instructor must swipe in with their own SUNY card.

Dual projection allows you to show a different source from each projector or use only one projector.

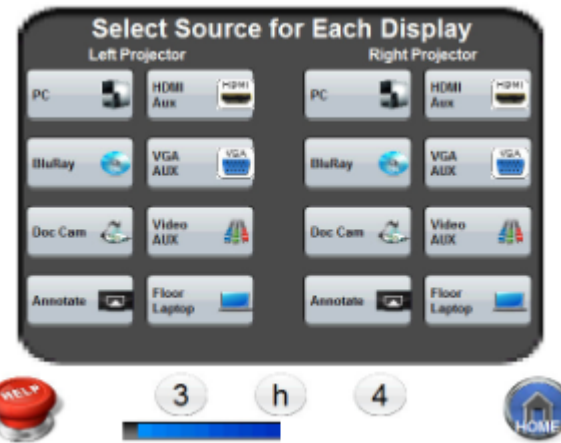

- Locate the wireless Crestron touch panel
- Touch the screen to begin
- Select Screen and Projector Controls
- Turn on the projector(s) you want to use and lower the screen(s)
- Go back to the HOME screen and select Advanced Switching
- Select the source for the left and/or right projector

If both projectors are on and you want to shut one off, select HOME > Screen and Projector Controls > turn off the projector and raise the screen.
