

Guest Logins

- Guest logins allow alumni, community borrowers, and the general public to use PCs in the Information Commons and Mac Lab
- Guest logins change the first Tuesday of every month
 - Systems staff sends an email to us when he changes the password
 - Do not start using the current month's password before Systems staff sends this email - continue using the previous month's password
- Guest login slips are located in the top drawer of each circulation desk workstation

Guest Logins are for the **University Computers**. Access Services *does not* provide access to the *UAGuest Wifi* login information.
