This is the documentation site for the M.E. Grenander Department of Special Collections & Archives

This documentation is primarily for internal use, incomplete, and constantly in development. The pages here show how we process archival collections and use a variety of different tools.

Please Contact Us if you have any questions.

Overviews

- ePay Reseachr Credit Card Payments
- Department Goals and Objectives, 2019-2020
- Overview of Archives Systems
- Index of SPE Servers
- Systems Diagrams
- Process Flows
- How Web Archives URLs Work

Processing Documentation

- ArchivesSpace Best Practices
- Guide to Dates
- asINventory

Guides to Tools and Systems

- Webserver
  - Using the Webserver
- ArchivesSpace
