This queue is borrowing requests that libraries want to renew.

1. Open the Awaiting Renewal Request Processing queue.
2. Open the request by double clicking it. If there was only one request, it'll open automatically.
   a. Select the Yes With Due Date box at the top.
   b. If you hover over that box, it will show the renewal date.
   c. When you click the box, the window will close.
3. The request has now been renewed.
