Connecting to the Internet on the Residential Network

Residential Internet (ResNet) services are provided by Apogee (www.myresnet.com). Apogee help with wired and wireless Internet connections is available to residential students 24-hours/7-days-a-week by contacting the Apogee Customer Support Center:

- Chat via https://www.myresnet.com
- Email support@myresnet.com
- Text "ResNet" to 84700
- Call (866) 478-8861

Need more help? Contact the ITS Service Desk.
